# Art Adventures Enrichment Program

**Students …**

will think wonder, explore, and discover.

will learn about the possibilities of materials and tools.

are encouraged to collaborate and use creativity and critical thinking skills.

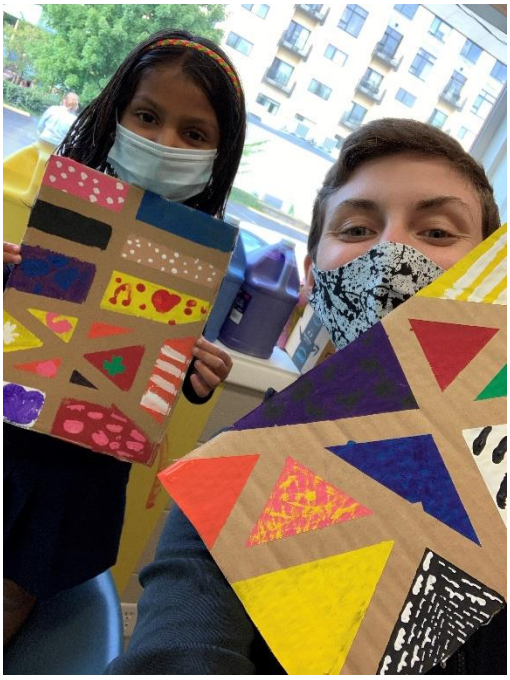
will gain confidence to express their own ideas.

will embrace mistakes as part of the learning process.

Please collect and donate any (clean) interesting upcycled boxes, cartons, and tubes to the Art Adventures Program Cardboard Room!
To understand the value watch Caine's Arcade at:
http://twobitcircus.org/caine/

Additional upcycled donation ideas:
buttons, fabric scraps, glass jars, yarn

The VCFC Art Adventures Program is designed to support the inherent creativity of students in grades K – 5th with access to rich and varied media and activities.



Art processes are an effective way for students to explore and communicate their big ideas by representing these thoughts in unique and varied ways.
