

October 2007

JEREMY ATACK

CURRICULUM VITAE

Date of Birth: 16 January 1949

Degrees: BA, University of Cambridge (Jesus College), UK, 1971
Ph.D. Indiana University, 1976

Current Positions: Professor of Economics, Vanderbilt University (1993 -)
Director of Graduate Studies, Department of Economics (2007-)
Professor of History, Vanderbilt University (2000-)
Research Associate, National Bureau of Economic Research (1989 -)
Co-editor, *Journal of Economic History* (2004-2008)

Previous Positions: Chair, Department of Economics, Vanderbilt University (1998-2002)
Kinkead Research Scholar, University of Illinois (1992-1993)
Professor of Economics, University of Illinois (1985-1993)
Visiting Professor of Economics, Harvard University (1987/88)
Associate Professor, University of Illinois (1980-1985)
Assistant Professor, University of Illinois (1976-1980)
Visiting Assistant Professor, Indiana University (1975/76)
Visiting Lecturer, DePauw University (1974)

Home Address: 6504 Hidden Hollow Road
Brentwood, TN 37027
615-790-3500 (voice)
615-790-7759 (FAX)

Office Address: Department of Economics
Vanderbilt University
Station B, Box 1819
Nashville, TN 37235
615-343-2467 or 322-2871 (voice)
615-343-8495 (FAX)

Published Articles and Notes (earliest to most recent)

1. (with Haites, Mak, and Walton), "The Profitability of Steamboating on the Western Rivers: 1850," Business History Review, 49 (Fall 1975), 346-354.
2. "Returns to Scale in Antebellum United States Manufacturing," Explorations in Economic History, 14 (October 1977), 337-359.
3. "Economies of Scale in Western River Steamboating: A Comment," Journal of Economic History, 38 (June 1978), 457-466.
4. "Estimation of Economies of Scale in Nineteenth Century United States Manufacturing and the Form of the Production Function," Journal of Economic History, 38 (March 1978), 268-270.
5. (with Bateman), "The Profitability of Northern Agriculture in 1860," Research in Economic History, 4 (1979), 87-125.
6. "Fact in Fiction? The Relative Costs of Steam and Water Power: A Simulation Approach," Explorations in Economic History, 16 (October 1979), 409-437.
7. (with Bateman), "The Measurement and Trend of Inequality: An Amendment to a Basic Revision" Economic Letters, 4 (1979), 389-393.
8. (with Bateman), "The Economic History of Small Business in the [East North Central] Region," The Environment for Entrepreneurship and Small Business, Washington: Small Business Administration (1980). Prepared for the White House Conference on Small Business, January 1980.
9. "Comment on 'The Early Problems,'" in Fred Bateman (ed.), Business in the New South: A Historical Perspective, papers presented at the First Annual Sewanee Economics Symposium, Sewanee: The University of the South, 1980, 151-153.

Books in Preparation

1. (with Bateman and Margo), "The Crucible of Growth: Manufacturing in the United States"
2. (Edited with Larry D. Neal), *The Evolution of Financial Institutions and Markets from the Seventeenth to Twenty-First Century*, Cambridge University Press (under contract)

Funded Research

1. (with Bateman), "A Sample of Firms from the 1880 Census of Manufactures," National Science Foundation, SES-605637, 6/86-1/90, \$110,620.
2. (with Bateman), "Collaborative Research to Extend the 1860 Bateman-Foust Agricultural and Demographic Sample Forwards to 1880," National Science Foundation, SES-8914861, 7/90-7/93, \$212,806.
3. (Project Director), "Doctoral Dissertation Research in Economics" (to Mary Eschelbach-Gregson), National Science Foundation, SES-9100517, 9/91-12/92, \$10,109.
4. (with Bateman), "American Agriculture in an Industrializing World," National Science Foundation, SBR-9308717, 8/93-12/97, \$260,000+.
5. "Construction of a Panel Database from Linked Population and Agricultural Census Records, 1850-1880" National Science Foundation, 0351373, \$150,000+ (03/2004-02/2007)

Other External Grants

1. (with Larry Neal) NSF funding for the 1987 Cliometric Conference.
2. Newcomen Society Summer Grant (1978).

Honors

1. Research Associate, NBER
2. Winner of 1987 Theodore Saloutos prize awarded by the Agricultural History Society for To Their Own Soil: American Agriculture in the Antebellum North (Ames, IA: Iowa State University Press, 1987).
3. To Their Own Soil selected by Choice as one of the outstanding academic books of 1987.
4. Honorary Life Member of Newcomen Society for work on steam-power.
5. Guest of the Soviet Academy of Sciences, Institute of USA and Canada and Institute of General (Moscow) and the Institute of History, Philology and Philosophy of the Siberian Academy of Sciences (Novosibirsk), 1987.
6. President, Business History Conference (1999).
7. Vice President, Economic History Association (2001-2)
8. President, Agricultural History Society (2002-3).

Professional Service

1. Board of Editors, Explorations in Economic History (1981-88).
2. Acting Editor, Explorations in Economic History, 1982.
3. Secretary-Treasurer, Business History Conference (1977-87).
4. Editor, Business and Economic History: The Papers and Proceedings of the Business History Conference (1981-87).
5. Referee for the following journals and organizations: American Economic Review, Explorations in Economic History, Journal of Economic History, National Science Foundation, National Endowment for the Humanities, Review of Economics and Statistics, Southern Economic Journal.
6. Discussant at various professional meetings, including the American Economic Association meetings, Cliometrics Conferences, Economic History Association meetings, and the Social Science History Association meetings.
7. Economics Program Chair for the Social Science History Association, 1985-86.
8. Co-organizer of Conference on the Application of Quantitative Methods and Economic Theory to the Study of Problems in History (popularly known as the Cliometrics Conference), Allerton House, The University of Illinois, May 1987.
9. Board of Editors, Journal of Economic History (1988-1992).
10. Chair, John E. Rovensky Fellowship program (1983-1993 and 1996).

11. Chair, Economic History Association Program Committee for 1990 Meetings.
12. Co-organizer of Conference on the Application of Quantitative Methods and Economic Theory to the Study of Problems in History (popularly known as the Cliometrics Conference), Allerton House, The University of Illinois, May 1990.
13. Trustee, Cliometrics Society, 1991-.
14. Trustee, Economic History Association, 1993-.
15. Trustee, Agricultural History Society, 1993-.
16. Elected to Publications Committee of Social Science History Association, 1995-.
17. Special guest editor for issue of Journal of Real Estate Finance and Economics.
18. Co-moderator of H-Business, computer bulletin board dedicated to Business History and operated by the Cliometrics Society.
19. Program Chair, Business History Conference, 1998 (Archives II).
20. Local Arrangements Committee, Economic History Association 2002-3.
21. Co-editor, Journal of Economic History, 2004-8.
