STEP THREE: Return your completed pledge form to your campaign captain or mail it to the campaign office at PMB 407733.

Note: All undesignated gifts will be divided equally among the four federations.

2008 VANDERBILT COMMUNITY GIVING CAMPAIGN

**YOUR GIFT.
YOUR CHOICE.**

MAKING A GIFT IN THE VANDERBILT COMMUNITY GIVING CAMPAIGN

Your gift to Vanderbilt's Community Giving Campaign will have a great impact on our community. Our campaign partners make a real difference with services that range from health issues to care for seniors to improved education. And even if you don't live in Metropolitan Nashville, chances are you can find an agency to support in your hometown. Your *Guide for Caring at Vanderbilt* brochure has the complete list and code numbers.

VANDERBILT'S PARTNERS INCLUDED IN THE CAMPAIGN ARE:

Nashville Alliance for Public Education is a nonprofit organization dedicated to securing private resources to improve Metro Nashville Public Schools. The Alliance seeks donations and grants for underfunded focus areas that drive measurable student success, including science and math, reading, music education and faculty development.

United Way of Metropolitan Nashville United Way is working to advance the common good by focusing on our community's education, income, health and neighborhoods. These are the building blocks for a better life – a quality education that leads to a stable job, enough income to support a family through retirement, good health, and safe living conditions. We invest in programs that are accountable and deliver results, with a special emphasis on preventing problems on the front end and helping people who want to help themselves.

Community Health Charities of Tennessee is improving the lives of people affected by illness or disability by uniting caring donors in the workplace with our nation's most trusted health charities. When you select your favorite health charities from the Community Health Charities' list, you are joining the fight to end the suffering of people afflicted with life-threatening and chronic diseases. Your donation provides life-saving medical research, patient care and community outreach programs to Tennesseans in your local communities. Each time you choose to financially support our charities, you invest in something which gives the greatest return - health.

Community Shares "Building Social and Economic Equity and a Healthy Environment" is this federation's emphasis. It funds local community-based organizations getting at the root causes of community problems of hunger, poverty, violence, and discrimination. An employee's gift to Community Shares helps groups work for positive solutions to cleaner air and drinking water, accessible health care, cultural pride, and affordable services for low-income people.
