Polymer PlayClay

(One recipe is enough for two children.)

2 packages of unsweetened Kool-Aid
2 1/2 cups flour (two and one half cups)
1/2 cup salt
1 teaspoon alum (optional preservative)
3 tablespoons vegetable oil
2 cups boiling water (be careful)
plastic baggie for storage

Mix dry ingredients together in a bowl. Add oil and water. Mix well. When cool, knead like bread until appropriate consistency. One recipe makes enough for two children. Have students work in pairs of two. Heat water in an electric coffee pot for large numbers of students. Adults should supervise distribution of hot water.
