Academic Stats

*as of Spring 2016

- Undergraduate GPA: 3.49
- All Greek GPA: 3.56
- All Women GPA: 3.55
- All Sorority GPA: 3.62
- All Men GPA: 3.43
- All Fraternity GPA: 3.47

351 IFC new members participated in Green Dot Bystander Training and 11 chapter specific programs were held thanks to the partnership with the Project Safe Center for sexual misconduct prevention and response.

1,177 students participated in Alcohol and Social Responsibility training intended to empower students to make wise decisions with alcohol as well as feel equipped to intervene in times of need.

Over 1,000 community members participated in the online Kognito education training designed to teach participants ways to recognize signs of emotional distress in a fellow student, approach at-risk students, discuss their concerns, and connect them with resources on campus to address issues of anxiety, depression, and suicide.
In order to emphasize individual member development and to further demonstrate the commitment of Greek organizations to be leaders within the Vanderbilt community, the Office of Greek Life launched the Greek Member Experience ("GME") for the 2015-2016 academic year. GME consists of a set of 15 minimum expectations including member engagement in programs and activities in six tracks: Campus Involvement, Community Impact, Diversity & Inclusion, Faculty Engagement, Healthy Behaviors and Personal Development.

**Campus Involvement**
99.5% participated in at least 1 engagement opportunity in the Campus Involvement track.

**Diversity & Inclusion**
68% participated in at least 1 engagement opportunity in the Diversity & Inclusion track.

**Community Impact**
92.4% participated in at least 1 engagement opportunity in the Community Impact track.

**Healthy Behaviors**
84.4% participated in at least 1 engagement opportunity in the Healthy Behaviors track.

**Faculty Engagement**
69.8% participated in at least 1 engagement opportunity in the Faculty Engagement track.

**Personal Development**
66.5% participated in at least 1 engagement opportunity in the Personal Development track.

---

38,573 total GME opportunities were completed by our community this year!

---

**ANNUAL COMMUNITY ASSESSMENT**

Each year we assess our community to ensure that our members achieve established learning outcomes and community development initiatives. Below are some highlights of the results with each percentage representing total responses from our community.

★ = When compared to the national average, the Vanderbilt Greek Community is rated significantly higher!

- **79%** Fraternity/sorority members report they have the experiences and resources to feel confident to help a friend dealing with mental health challenges.
- **84%** Fraternity/sorority members identify their membership in a fraternity/sorority as motivation for why they demonstrate genuine care & concern for others to keep them safe.
- **85%** Fraternity/sorority members report being satisfied with their overall experience at Vanderbilt.
- **79%** Fraternity/sorority members identify their membership in their organization as the impetus for being involved in other organizations and aspects of Vanderbilt.
- **83%** Fraternity/sorority members express an awareness and passion for diversity issues.
- **84%** Fraternity/sorority members report feeling a sense of belonging and connection to a brotherhood or sisterhood.
- **87%** Fraternity/sorority members expressed attitudes and a passion for social justice and advocacy.
