GREEK LIFE FACULTY PROGRAM GRANTS

Increased collaboration between faculty members and students is an important emphasis in the University community. As such, the Office of the Dean of Students and the Office of Greek Life are proud to announce the introduction of Greek Life Faculty Program Grants. Funding has been made available for fraternities and sororities to host programs and events that involve and engage faculty members. Chapters that are interested in applying for a grant must submit a program description, intended learning outcomes, proposed budget, names and departments of faculty members that will participate in the program and the target audience within the chapter (i.e. History majors, seniors, etc.) via email to Kristin Torrey, Director of Greek Life kristin.torrey@vanderbilt.edu. Upon the completion of the program or event, the chapter must submit a follow up description including strengths and weaknesses of the program and the achievement of intended learning outcomes.

Programs can be funded for up to $500. Chapters will submit receipts for the expenses associated with the program to be reimbursed by the grant.

The Vanderbilt Fraternity & Sorority Standards require that each chapter host or plan at least one event or program to build positive relationships with faculty members each year.
