Please provide the following:

1. A proposal for your project or study abroad program. This should include a description of the project, how the project meets your students’ academic, research, service or career goals, and how those goals could not be met by travel to an alternative location.

2. Information on prior experience in the location, other travel experience that prepares you for travel to this region, and pre-departure preparation that you will receive.

3. Evidence that you understand the safety, security and/or health risks involved in travel to this country and a plan to mitigate or avoid the risks.

4. Information on the security and facilities at both the local partner organization, the accommodation where you will be staying, and the transportation you will be using. Be as specific as possible and provide supporting information from sources in the country you will be visiting and/or at the local organization.

5. An explanation of how you will be contacted while you are overseas.

6. A detailed plan of evacuation in the case of a medical emergency or crisis situation, including knowledge of how to travel to the capital city or evacuation point, knowledge of local hospital facilities.

7. A copy of your itinerary with all travel arrangements. This should include a backup plan in the event that there are unforeseen changes in your itinerary (Example: The person meeting you at the airport does not arrive).
8. A letter of support from your department or school (for schools without departments) confirming the necessity of travel to the restricted region.
