

EAT

Experience American Tastes

Student/Scholar Participant Sign-up

EAT! provides international students and scholars a chance to enjoy American food and culture with a local family. Community members volunteer to host a dinner and invite students/scholars to join them for an evening. Students/Scholars attend the dinner in small groups (2-4 people) and can make arrangements to be picked up by the host at the Student Life Center, if needed. Most dinners will be from 6–8:30 p.m., however, your **EAT!** host will confirm this with you a few days before. There is no cost to participate.

Name: _____

Name(s) of spouse and/or children who will accompany you: _____

Email: _____

Phone: _____ Home Country: _____

* Your contact information will be given to your hosts so that they can contact you a few days before the dinner.*
