

BUILDING BLOCKS OF INTERNATIONAL LEADERSHIP 2008

- Develop leadership skills
- Meet new people from around the world

What is the conference?

TN-CIL brings 100 international and study abroad student leaders together with the common goal of promoting cross-cultural understanding

- Recognize different styles of leadership across cultures
- Share your culture with others!

How do you register?

Contact your international office or study abroad advisor to get more information and register for the conference

Who should attend?

- International and exchange students
- U.S. students who have studied abroad
- International educators
- Study abroad advisors and counselors
