Going to the dentist may not be your idea of fun. We just make it easier.

We know that you probably don’t look forward to going to the dentist. In fact, it might be something you dread. Still, taking good care of your teeth is an important part of maintaining your overall health. That’s why UnitedHealthcare wants to make keeping your mouth healthy as easy as possible.

If you enroll in the UnitedHealthcare Dental® plan, these are some of the benefits you could enjoy:

• Preventive care, including exams and cleanings, at little or no out-of-pocket cost
• Significant savings on fillings, caps, and other restorative services
• Substantial savings on services from network dentists
• Non-network reimbursement
• Access to myuhcdental.com, where you can find a local dentist, get plan information and more

Going to the dentist is something you’ll most likely be glad you did, and will realize the benefits for years to come. Enroll today and relax knowing you have access to affordable dental care when you need it.
