The Zambrano Foundation presents the Democracy in the Americas Symposium (DITAS), the platform to preserve democracy and expand economic opportunities. Bringing together innovative initiatives that transform ideas of equality, freedom and prosperity for the next generation.

You are invited to participate in this one-of-a-kind gathering of World Dignitaries, Multi-National Corporate Leaders, Prominent Scholars, Students and Social Innovators to discuss the latest trends in trade and economic development.

Come and discuss effective solutions to strengthen democracy and economic growth in the Americas.

The new generations want their voices to be heard. DITAS has become the platform to build long lasting partnerships to enable them to create a positive social impact.
