About Cara and Perry

Cara Bilotta for President

Cara Bilotta was born in Houston, Texas to Mary Beth, an occupational therapist, and Tony Bilotta, a CPA. At the age of ten, her family moved to Leominster, Massachusetts to be closer to their extended family. She grew up in Leominster with her parents and three siblings. Her oldest sister, Gina, recently returned from service in Iraq as a member of the United States Army. Her two younger siblings – Anthony, 15, and Arianna, 8 – reside at home in Leominster.

A junior in the College of Art and Science with a double major in Medicine, Health, and Society and Spanish, Cara has been active on Vanderbilt's campus since her freshmen year. Her participation in the Leadership Odyssey DoreWays program inspired her to become involved in the Student Government Association (SGA) as a member of the Special Events Committee. Her sophomore year, she served as the co-chair of the Student Services and Technology Committee, where she had the opportunity to enhance services such as Vandy Vans and DoreWalks. In the spring of 2006, Cara was elected by the student body as Executive Vice-President of SGA, which has allowed her the opportunity to meet and collaborate with students who represent diverse interests on our campus.

Cara has also been an active member of Greek Life, serving on the Chapter Council of Kappa Kappa Gamma in 2006, and has been appointed by her Chapter to serve on Chapter Council once again in 2007. In addition, her

passion for community service led to her participation in ASB both freshmen and sophomore year and AWB her junior year. Finally, Cara has served as a VUceptor the past two years in order to provide incoming students with a positive introduction to the Vanderbilt community she has grown to know and love. Cara hopes to continue to serve the student body as Vanderbilt Student Government President next year.
