

CELEBRATE OWEN FIRST

A Report on the Generosity of Owen Alumni and Friends 2005–2006

Momentum. That's the buzzword these days throughout the Owen community after a year of Dean Jim Bradford's leadership. With a renewed emphasis on alumni connectivity, the 2005–06 academic year was one of tremendous energy, involvement and support from Owen alumni and friends.

Giving to Owen set new records. In fact, \$7.5 million in gifts were received from alumni, corporations and other friends—a 316 percent increase from the previous fiscal year. Especially important in this total were the unrestricted gifts to Owen through the Vanderbilt Fund. This vital support (\$991,000), up 40 percent over last year, is essential in helping Dean Bradford meet the everyday challenges and opportunities that move Owen forward. The endowment also grew from \$197 million to \$205 million, and new pledges to the school increased dramatically, from \$283,000 to \$1.8 million.

And this impressive bottom line is matched by the engagement, commitment and leadership of Owen's alumni and friends. Throughout the year their involvement fuels Owen's momentum.

On behalf of the students, faculty and staff of the Owen Graduate School of Management, we are honored to recognize and thank these alumni and friends.

THE ALUMNI COUNCIL PROGRAM

A new initiative in 2005–06, the Alumni Council Program enhances communications among classes through the efforts of Alumni Class Representatives. These representatives (one for each MBA and EMBA class) spread the word about upcoming events and opportunities for alumni involvement. And they encourage classmates to support Owen through the Vanderbilt Fund.

This fall, Alumni Council Representatives will contact classmates to encourage class giving. To see a list of giving by class in 2005–06: www.owen.vanderbilt.edu/givingbyclass.

Annual gifts from alumni and friends are vital to Owen, helping to meet the school's daily challenges and opportunities by supplementing what tuition doesn't cover.

The Owen Circle donor society (formerly known in our community as Owen Associates) recognizes those alumni and friends who make gifts of \$1,000 or more annually. The support of these exceptionally engaged leaders has helped create innovative new programs in finance and health care, enabled much needed classroom renovations, and created Accelerator, a summer institute providing b-school fundamentals to students with liberal arts backgrounds.

The Owen Circle levels of giving:

Cornelius Vanderbilt Level: \$25,000 or more

Chancellor's Council: \$10,000–\$24,999

Dean's List: \$5,000–\$9,999

Owen Associates: \$1,000–\$4,999*

(*For up to three years from graduation, Owen alums may contribute a minimum of \$500 and be part of the Owen Circle at the Owen Associates level.)

James M. Sohr, BA'86, MBA'90, President, Aim Health Care Services

David T. Vandewater, President and CEO, Ardent Health Services

THE 2005–06 ANNUAL REPORT OF DONORS

The Owen Graduate School of Management gratefully acknowledges members of the Owen Circle for their generous gifts and pledges to the endowment, capital projects and/or annual fund from July 1, 2005–June 30, 2006.

A not-to-be-missed magical evening—April 21, 2007.

On April 21, 2007, Owen will host “The Magic of Business,” a special evening for Owen Circle members and other alumni leaders. Sponsored by Genesco, this black-tie event will celebrate the generosity of alumni, corporations and friends and will commemorate the 40th anniversary of the Owen Associates Program, originally launched by trustees Samuel M. Fleming, Ralph Owen, Madison S. Wigginton and David K. Wilson to fund the establishment of a graduate school of management at Vanderbilt. Owen Circle members who make a minimum gift of \$1,000 annually or pledge of \$5,000 or greater will be invited to the Owen Circle celebration dinner to be held in Nashville each spring. (For up to three years from the date of graduation, Owen alumni may contribute a minimum of \$500 annually to participate in the dinner.)

Genesco, a proud supporter of “The Magic of Business”
