

“Brown Bag Lunch” Sessions

OIS workshops and training sessions have “undergone renovation.” Starting in August, we will offer two training sessions each month. The first training session will focus on a specific packet or immigration process (i.e. H-1B, E-3 or Permanent Residence). Our second session will be a general Question and Answer session for department administrators. Both monthly sessions will be “Brown Bag Lunch” style meetings, so feel free to bring your lunch and your questions. All sessions will be held in **Conference Room 109 in the Student Life Center.**
