TRIP OVERVIEW:

This is the 19th annual snow ski trip sponsored by the Outdoor Recreation Program. We are working with a ski tour company to assure that the trip will run smoothly. Due to the distance and the time of the year, we will meet in Denver. Then we will ride a shuttle bus to Steamboat Springs. Once in Steamboat Springs, we will be staying at the La Casa Condominiums for five nights. A shuttle runs from our condo to the resort, but it is also within walking distance (only 150 yards from the slopes). The multi-level 2 and 3-bedroom accommodations include spacious living areas with an extra full guest bathroom, large fully equipped kitchens, in-unit laundry rooms with full-size washer and dryers, gas fireplaces, private balconies and complimentary Wi-Fi access. They also have inviting outdoor hot tubs. There is an additional free shuttle bus to take you around the town. We have condos that sleep 6 people each (with 3 bathrooms) at maximum occupancy. The rate we are paying is for “full occupancy”, which means two people are assigned per bed. If you want a bed to yourself or if a group wants to secure a unit all to themselves, there will be an additional $320 fee for every spot less than 6.

La Casa Condos

Steamboat Springs has a ski resort area that is nearby, and an old downtown area that is a shuttle ride away. Check out the details about Steamboat Springs at www.steamboat.com. We will also receive discounts on night time tubing, Never Ever Ski or Snowboard Lessons (only $25 with coupon), and a coupon book for area shops and restaurants.

If you have never skied before (see above), or it has been a while, we recommend you participate in the ski and snowboard school on site. If you have never skied out west before, the snow tends to be deeper and more powder-like than most eastern ski slopes. And, the scenery is absolutely gorgeous!! We hope this will be a trip to remember for you (and your friends).

SKI & SNOWBOARD RENTALS:

Full ski rental packages including shaped skis, boots, and poles are available at the discount price of $20/day for the Sport Package and $32/day for the High Performance Package. Snowboards/boots rent for $28/day. Helmets are $8/day. All extra fees will be collected at the Pre-Trip Meeting.
