- Have claims paid by a claims administrator based in the United States.
- Provide access to local doctors, specialists, hospitals and other health care providers in the Vanderbilt University area.
- Have low or no deductibles (the student insurance plan has a \$100 deductible per policy year).
- Cover inpatient and outpatient hospital expenses, outpatient surgical expenses, inpatient and outpatient mental health, prescription drugs, laboratory tests and x-rays, physical therapy, ambulance, maternity and home health care.
- Provide coverage for Medical Evacuation and Repatriation of Remains.

Insurance Plan Benefits

What changes have been made for 2008-2009?

- The pre-existing condition waiting period has been reduced from 12 months to 6 months while maintaining the \$2,500 limited benefit if a pre-existing condition exists. After a student or dependent has been insured for 6 months under the Student Injury and Sickness Insurance Plan, a pre-existing condition will be covered as any other injury or sickness.

What is covered under the Student Injury and Sickness Insurance Plan?

- The plan offers comprehensive benefits that include hospital room and board, inpatient and outpatient surgical procedures, lab and x-rays, chemotherapy and radiation, inpatient and outpatient mental health services, physician office visits, consultant visits, ambulance, emergency care and prescription drugs.
- The maximum benefit allowed for each accident or sickness is \$100,000.
- Services provided by participating network provider are generally covered at 85% - 90% while services covered by a non-network provider are generally covered at 65%.
- Please refer to the plan brochure, available at www.gallagherkoster.com select Vanderbilt University from the drop down menu and click on Plan Documents for complete details about coverage, limitations, and exclusions.

Is there any supplemental coverage I can purchase in addition to the Student Insurance Plan?

- Yes, students enrolled in the Student Injury and Sickness Insurance Plan have the option of purchasing additional coverage through the Optional Major Medical Expense Benefit. The Optional Major Medical Benefit begins payment after the Basic Maximum Benefit of \$100,000 has been paid by the Company. The Company will pay 100% of Usual and Customary Charges for additional incurred Covered Medical Expenses after first deducting the Basic Maximum Benefit not to exceed a total Maximum Benefit of \$500,000. This \$500,000 total Maximum Benefit includes the \$100,000 Basic Maximum and the benefit coverage afforded under this endorsement. **Interested students must purchase this optional benefit at the time of their initial enrollment and by the deadline, which is generally 30 days after the policy effective date.**

How do I get my prescriptions filled?

- The pharmacy benefit program includes retail chains as well as independent pharmacies through the Medco Pharmacy Program.
- At designated Medco pharmacies; you will pay \$10 co-payment for a 30-day supply of a generic drug and a \$25 co-payment for a 30-day supply of a preferred brand name up to the \$1,000 maximum benefit.
- To help monitor their prescription costs, students will receive notification when they are reaching their maximum benefit and when they have reached the maximum benefit allowed.
- Outpatient medications for treatment of a Covered Expense are covered prescriptions. If the treatment of a medical condition is limited or excluded, the outpatient prescription is likewise limited or excluded.

Prescriptions are also available through a Mail Service Program. Through the Mail Service Program your copayment will be 2 times the copayment of a 30-day supply for a 90-day supply of your prescription drug. Click on "Pharmacy Program" at www.gallagherkoster.com to learn more the details of the pharmacy program, including the Mail Service Program.

What if I have a pre-existing condition, am I covered?

- Yes, but only after you have been enrolled in the Student Injury and Sickness Insurance Plan for 6 months. Prior to being enrolled for 6 months, a pre-existing condition will only be covered up to \$2,500.
- Once you're been enrolled in the Student Injury and Sickness Insurance Plan for 6 months, a pre-existing condition will be covered as any other condition.
- A pre-existing condition is one for which you sought medical advice, were diagnosed, received care or treatment, or were recommended care or treatment during the 6 months prior to the effective date of this plan.

Am I required to get a referral from my school's Health Services before I seek treatment elsewhere?

Yes, a referral is required before being able to seek care or treatment from an off-campus provider. A written referral must be obtained at the beginning of each academic year for each condition. A written referral does not guarantee that the services will be covered by the Student Injury and Sickness Insurance Plan.

Please refer to the plan brochure for details about the referral requirement and the exceptions to it.

Do I Get an ID Card?

- You will receive an insurance ID Card at the address the school has on file for you – either your on-campus address or your local address. Carry it at all times and show it to any health care provider or pharmacy before receiving care or filling a prescription.

- If you need to see a doctor before you receive your ID card, tell the provider that you are covered by the Student Injury and Sickness Insurance Plan. Your provider can also call Gallagher Koster at 800-468-5867 to confirm your eligibility. You do not need your card in order to be eligible to receive benefits.
- Once your enrollment has been processed at Gallagher Koster, you can go to www.gallagherkoster.com, create a User Account under “My Account” and print an ID card. This card acts as your permanent student health insurance ID card.

Does this plan cover me when I am off campus, traveling or studying abroad?

Yes, the Student Injury and Sickness Insurance Plan covers you during semester breaks, summer vacation and even if you’re traveling or studying abroad. You’ll be covered for the period for which you paid premium.

In addition to being covered for medical treatment and services, you will also be covered for Repatriation of Remains, with an Emergency Medical Expense Benefit and for Travel Assistance Services through Scholastic Emergency Services, the 24-hour worldwide assistance service.

- When studying or traveling abroad, keep your student health insurance plan identification card with you and take a copy of the brochure for reference.
- When outside of the United States, you will likely be asked to pay for your medical care first and then will need to seek reimbursement. Covered Expenses will be reimbursed on a Non-Network basis.
- When you submit claims for reimbursement, you will need to have the itemized bill(s) translated into English and include a letter informing the claims administrator that you are seeking reimbursement for charges previously paid.
- Please ensure that your name, ID number, address (to receive your reimbursement check), and the University’s name are on the bill.

Does this plan have a deductible? What is a deductible?

Yes, this plan has a \$100 per policy year deductible. Deductible means an amount (for which you are responsible) to be from the amount payable as a covered medical expense before payment is made by the claims company. Once you have paid the \$100 deductible, whether it’s applied to one service or multiple services, the plan will pay for covered medical expenses as indicated in the plan brochure.

What if I leave Vanderbilt University, will I get a refund?

Once a student attends classes for 31 days, your coverage will be in effect for the full period for which premiums were paid. So, if you leave Vanderbilt after 31 days, you will not be given a refund. This is true for students on leave for medical or academic reasons, graduating students or students electing to enroll in a separate comparable plan during the policy year.

International students who are graduating in December or May and returning to their country of regular domicile, may request a prorated return of premium by contacting the On-Campus Student Insurance Representative.

- The request must be made within 31 days of the departure date and documentation must be provided proving the student’s departure.
- Insured students who also have coverage for eligible dependents, may request a refund of premium for their covered dependents only if coverage was purchased on an annual basis. Students who are paying for dependent coverage on an installment basis are not eligible for a refund of dependent premium.

Finding a provider

Can I go to any doctor or hospital?

Yes, you can go to any provider. However, you can save money from seeing providers that participate in either the Signature Health Alliance (providers in Tennessee) or the Beech Street Preferred Provider Network (providers outside of Tennessee) because providers participating in this network have agreed to accept a predetermined negotiated amount, or Preferred Allowance, as payment for their services.

Go to www.gallagherkoster.com and click on “Provider Networks” on your homepage to locate participating providers.

You can go to www.klais.com; and click on Status Link to create a User Name and Password and look up a specific claim or view a list of all claims submitted.

Is any other information needed in order to pay a claim?

If the treatment you received was a result of an accident, you will receive a letter from the claims administrator asking for information about the accident, i.e. was it the result of a car accident, from playing sports, etc. Your claim cannot be processed without this information, so please respond to the letter promptly.
