## YOU DECIDE

Recycling your cell phones and empty laser toner/ink jet cartridges instead of throwing them away only takes a few minutes and helps two great causes - Monroe Carell Jr. Children's Hospital at Vanderbilt and the Environment!

The more cell phones & cartridges you recycle, the larger the donation given to the Hospital.

Vanderbilt Procurement Offices will receive a monthly tally of all collections.

it's free and easy with **guy**  **brown**

Follow these 3 Easy Steps:

1. Place the spent cartridge in the box that your new replacement cartridge came in.
2. Call or email Customer Service and we will send you a box with our program. The box holds up to 6 cell phones/cartridges and contains a pre-paid UPS Ground label for shipment.
