President's message

Dear Vanderbilt Woman's Club Members,

May this cold weather be over shortly and may we soon see signs of spring. For me that is the forsythia and daffodil blossoms. I also celebrate the crocus and the fragrant hyacinths, but not so much the grape hyacinths. Those little guys can take over an area!

ScholarSips was a resounding success! We are grateful for so many participating in this event, making it as profitable as it was. There were 64 VWC members who purchased one or more tickets. In total there were 143 tickets sold, of those 13 were sponsors. Sponsor totals tallied **\$3,005**. In addition there were direct donations to the scholarship fund from 30 sources contributing an additional **\$2,795**. The total receipts from the invitations were **\$11,910**.

Elaine Blake chaired this committee with talent, poise and grace. **Nancy Dwyer** was the coordinator and the facilitator at the Jean and Alexander Heard Central Library. **Lisa LeMaster** and **Kelly Chambers** designed the invitations and tallied the RSVP's and the donations. **Maddy Berezov** worked with Vanderbilt ground maintenance to decorate the recessed window shelves in the library with clippings from the campus. Our members also were well represented in the auction items. **Kendra Holroyd**, **Angela Bowens** created the silent auction baskets and **Dede Clements** solicited original auction items. **Joyce Gore** donated an authentic Indian dinner for 10 and sold

The **Vanderbilt Woman's Club** brings together the women of Vanderbilt University; provides an opportunity for intellectual, cultural and social activities within the community and the University; supports and assists the mission of the University; and sponsors the Vanderbilt Woman's Club Stapleton/Weaver Endowed Scholarship through fundraising.

Have you made your reservation for the Dyer Lecture on March 12? Details on page eleven.

two dinners thus making a **\$1,200** donation. **Loretta Saff** offered her skills as a Life Counselor. **Judy Isaac** donated Kenny G symphony tickets. We could not have done this without our members working the check-in and check-out (with **Elisabeth Sandberg** on hand for clarification): **Lynne Siesser**, **Angela Bowens**, **Lisa LeMaster**, **Judy Auer**, **Dede Clements**, **Kate Shaw**, **Karen Lawrence**, **Anne Plummer**, **Joan Hornberger**, **Aileen Webb**, **Judy Isaac**, and **Pam King**. **Yolonda Brooks Robinson** and **Cindy Slobogin** showed the club's gratitude by distributing the souvenir wine glasses to departing guests. We are also grateful to **Jillian Neal**, who provided us credit card access. Professor **Susan DeMay** donated one of her works of art and a personal lesson in throwing pots. There were generous donations from the office of the **Provost**, Coach **Tim Corbin** and Baseball, Coach **Mason** and Football, Coach **Balcomb** and Women's Basketball, Coach **Stallings** and Men's Basketball, **Blair School**, the **Theatre Department** and **Leah Lowe**, The **University Club**, **Vanderbilt Medical Center**, and **Vanderbilt Legends Golf Club**. This event truly represented a sampling of the expertise and talent of the Vanderbilt community.

As mentioned last month this event would not be possible without the support of **West End Discount Liquors and Wines** and **David Seeley**. We are also grateful for the additional community support from the **Nelson** brothers at **GreenBrier Distillery** and their Belle Meade Bourbon package, **NashTrash Tours**, **Arrington Vineyards**, and the **Nashville Jazz Workshop**.

Very special thanks to our Interest Groups. Our VWC **Out to Lunch Group** donated its own basket. And I want to agree with **Lin Watson** that the **Mah-Jongg** group may have been the best represented Interest Group at the event! The auction items totaled almost **\$7,000**. The final numbers have not been tallied but I expect that we will clear a generous amount for scholarships!

Kudos and Gratitude for all the generosity, participation, and energy that gifted this event!

Sheila

The Vanderbilt Woman's Club acknowledges the late Margaret Branscomb, wife of Chancellor Harvie Branscomb, for the major plantings of the magnolia trees on campus and honors her in the naming of the newsletter.

ScholarSips 2015

Getting to know your Board

continued from the October issue

After church mission trips to Appalachia in high school, **Kelly Chambers** (*Newcomers*) never imagined that she, one day, would live in Tennessee. Growing up in Fort Worth, Texas, careers and academics have taken her to live in Brussels, Belgium; Georgetown, Texas; Strasbourg, France; New Orleans; Chicago; Galveston, Texas;

and now Nashville. With a B.A. from Southwestern University and an M.B.A. from Tulane, Kelly worked in the oil and banking industries and received a J.D. from DePaul University. Three children later and a move to a gulf coast barrier island, Kelly began full-time motherhood and volunteer work including two terms on the Galveston ISD Board of Trustees. Kelly and her husband of 29 years, Ed Sherwood, have a daughter at Tulane; a son at SMU; and a daughter in Nashville at USN. Ed works in the VUMC Anesthesiology department. The empty nest starts next fall.

Elaine Blake (*Fund Raising*) finds herself amazed that she now, 25 years later, feels so at home in Nashville, a place that felt like a new country when she moved here, having never even visited the South. Elaine moved to Evanston, Ill after college with a BSN in Nursing and began her 40-year nursing career there. The first half of her

working life was spent in Critical Care areas where she found the most opportunity for learning and challenge. After earning an MSN in Gerontology Nursing at age 40, Elaine worked with older adults and their families, mostly in community settings doing new program development. Finally, for the last eight years of her work life, she taught Gerontology and Nursing Leadership at Belmont University School of Nursing. Elaine retired 11 years ago to travel with her husband, Randolph, first for a semester at NYU, followed by stays in Japan, New Zealand, Australia, and South Korea. Other interests re-emerged quickly after retirement, including her exploration of more creative applications of sewing, singing again - in a woman's choir this time - gardening, and reading for pleasure. Son, Geoff, and her two grandchildren live in Brooklyn so freedom for frequent trips to the New York family is another of the many, many good things in her life today.

Thank you, all board members, for your service.

Cynthia Dave Slobogin (*Scholarship*)

Grew up in Michigan as the second of nine children in the suburbs of Detroit. Received degrees in Nursing and Public Health after attending Hillsdale College and WMU. As soon as possible after graduation moved to sunny Florida and left those cold winters behind! First job was charge nurse on a maternity floor, covering

the Labor, delivery, postpartum and the nursery. Subsequent job was a Director of a Blood Center for 14 years and after 3 children, worked in Family Practice, Pharmaceutical Research, Women's Health and Outpatient Surgery. Have been with Chris for 25 years. Chris' primary position was in law at the University of Florida with 4 stints at universities in California. He also filled summer positions in Dublin, Oxford, Frankfurt, Barcelona and 3 summers in Montpellier, France. All of which were exciting adventures and a perk of academia. After deciding in 2006 to stay in Florida we built the "dream" house and promptly received amazing job offers from numerous schools including Vanderbilt - which was far and above the best choice! So, sell the new house and move to Nashville, Tennessee in 2008. I had never imagined I could end up in Tennessee since I had never even been to the state. Have three daughters, one at Georgetown, one in Tampa and one married and living in the Nashville area. Enjoying the empty nest - for the most part but looking forward to grandchildren one day.

Kendra Holroyd (*Hospitality*) I was born and raised in Hagerstown MD and graduated from York College of Pennsylvania with a B.S. degree in Nursing. I worked at Johns Hopkins Hospital in the Coronary Care Unit and then moved to the DC area and worked at Fairfax Hospital INOVA in

the Cardiovascular Surgical Intensive Care Unit. While living in Silver Spring we had our two children and thus began my 20 year career as a Mom and Volunteer. 13 days after our youngest child arrived we moved back to Baltimore then to Philadelphia area before arriving in Nashville in 2005.

I have danced in the Nutcracker as Clara's Mom with my daughter and volunteered throughout their school years with jobs as homeroom mom, teacher assistant, office, copy room assistant and school store manager.

I enjoy working out at the YMCA, reading, decorating, refinishing furniture, cooking and participating in VWC activities. My two children live here in Nashville. Lauren is a first year Medical Student at Vanderbilt and Michael works in Cool Springs and lives at home.

Kendra's husband, Ken Holroyd works in the Anesthesia Department at VUMC, is Medical Director of the CTTC and is Assistant Vice Chancellor of Research.

Meet the VWC *Regal Rendezvous* Movie Group!

This interest group meets every month for lunch and a movie at Green Hills. Betsy Fleetwood has led the group for five years, following former leaders Jennie McClendon, Sheila McCarty, and founder, Ann Wells.

This month, members gathered at Table 3 for a lively meal and tales of the past week of ice and snow. After lunch we walked right around the corner to Regal Cinemas. February's flick was "Still Alice," with Academy Award-winner Julianne Moore in the title role.

Betsy usually prepares an Oscar ballot contest for members to try their hands at selecting winners, but the crazy weather this month precluded that; Mildred Tilley gets to serve another year as the reigning champ!

If you enjoy movies, conversation, and lunch out (or any one of the above), join the group once a month—there is always a new film to see, and all are welcomed!
