Dear Vanderbilt Alumni and Friends:

Retrace the “Grand Tour,” an elite tradition undertaken by enlightened ladies and gentlemen of the 17th, 18th, and 19th centuries on this Great Journey through Europe. Traverse four countries and the western heart of the Continent on this carefully planned, exclusive itinerary. Meander through the Netherlands’s expansive waterways flanked by polder land reclaimed from the North Sea, and cruise the storied UNESCO World Heritage-designated Middle Rhine Valley, passing the hillside vineyards of the renowned Rheingau wine region. Experience three of the world’s great railway journeys and delight in the opportunity to experience six astounding UNESCO World Heritage sites.

Cruise aboard the exclusively chartered, deluxe AMADEUS SILVER III, one of the finest ships to ply the waters of Europe, from Amsterdam, the Netherlands, to Basel, Switzerland. Port calls include Cologne, Koblenz, Rüdesheim and Mannheim (for Heidelberg), Germany; and the lovely Alsatian city of Strasbourg, France, a fusion of both French and German cultures.

From Basel, journey through the foothills of the Bernese Oberland Alps to Lucerne stopping in medieval Bern, where the storybook Old Town is a celebrated UNESCO World Heritage site. Spend two nights beside lovely Lake Lucerne in the Five-Star BÜRGENSTOCK RESORT’S WALDHOTEL, surrounded by glorious Alpine panoramas. Then, cross the Switzerland’s mountainous backbone aboard the ingeniously engineered Glacier Express railway to Zermatt. Marvel at the iconic Matterhorn as you travel aboard the Gornergrat Bahn, the country’s oldest cog railway.

This popular Great Journey through Europe travel program is an excellent value with all excursions and deluxe accommodations included. This exceptional itinerary sells out year after year so book now while Early Booking Savings and space are still available.

North Sea
U.S./Amsterdam, the Netherlands
Friday, July 17 and Saturday, July 18
Depart the U.S. for Amsterdam. On arrival, enjoy a private cruise along the city’s UNESCO World Heritage-designated canals, lined with distinctly Dutch 16th- and 17th-century canal houses. Then, embark the deluxe AMADEUS SILVER III.

Join your travel companions for the Captain’s Welcome Reception and Dinner on July 18.

Cologne, Germany
Sunday, July 19
Arrive in one of Germany’s most ancient cities, founded as a Roman military outpost in 38 B.C. Since Charlemagne, Cologne has flourished as the Rhineland’s foremost mercantile and religious center, and it is the birthplace of the world-famous original Eau de Cologne perfume.

Explore the Altstadt (Old Town) and visit the UNESCO World Heritage-designated Köln Dom (Cologne Cathedral). The nation’s finest example of High Gothic architecture, the Köln Dom took six centuries to complete. Admire the Cathedral’s lauded treasures, including medieval stained glass windows, the bejeweled sarcophagus of the Shrine of Three Kings, the monumental, 10th-century Gero Crucifix and richly carved 14th-century choir stalls.

Koblenz/Rüdesheim
Monday, July 20
Dock in historic Koblenz, strategically positioned at the confluence of the Rhine and Moselle Rivers, for a walking tour. Here, Germany’s Roman past dates to 9 B.C., during Augustus Caesar’s reign. From the landmark Deutsches Eck (German Corner), view the 19th-century fortress of Ehrenbreitstein, the former residence of the powerful Archbishop-Electors of Trier, across the Rhine River, and see the twin-towered Basilica of St. Castor, built between the ninth and 13th centuries, showcasing the Rhineland’s distinctive Romanesque architecture.

Cruise through the dramatic UNESCO World Heritage-designated Middle Rhine Valley, where with nearly each bend in the river, terraced vineyards rise on steep slopes, medieval castles crown remote crags and tranquil villages emerge along peaceful banks. See the famous Lorelei Rock—legend holds that a beautiful siren once lured sailors here with her enchanting song.

Stop in Rüdesheim, the medieval heart of Germany’s wine country. Enjoy a tour aboard the whimsical Winzerexpress mini-train, while traveling through bucolic vineyards en route to a private wine tasting, which highlights local Rieslings, including the crisp Klosterberg. Reboard the ship and cruise through pastoral Rheingau, Germany’s most famous wine-growing region.

Mannheim for Heidelberg
Tuesday, July 21
This morning, transfer from Mannheim to Heidelberg, where luminaries such as Goethe and Schumann once came to experience the intellectual atmosphere of Heidelberg University, the oldest in Germany, founded in 1386.
To many on the historic “Grand Tour” of Europe, Heidelberg epitomized Germany, nestled in the densely wooded valley of the Neckar River and alive with the spirit of Romanticism.

On the walking tour, see the preservation of Heidelberg’s authentic Renaissance-Baroque character, manifested in sites such as the eight remaining arches of its famous Alte Brücke (Old Bridge). Visit the stately ruins of Heidelberg Castle, the 13th-century embodiment of the city’s medieval past, perched above the river.

**Strasbourg, France**
**Wednesday, July 22**
The lively Alsation city of Strasbourg fuses Old and New Europe with French and German influence. In the UNESCO World Heritage-designated Old City, cobblestone lanes weave around medieval houses, and the 13th-century Ponts Couverts, bridges flanked by watchtowers, span idyllic canals.

In Strasbourg, John Calvin first established a reformed parish; view remnants of the Reformation in St-Pierre-le-Vieux, a simultaneum used by Protestant and Catholic parishioners. See the Gothic Cathedral of Notre Dame, whose graceful sandstone exterior, according to the poet Goethe, rises “like a most sublime, wide-arching tree of God.”

The Petite France district evokes a fairy tale, with its historic miller, tanner and fishermen’s quarter of half-timbered houses along the Ill River. Nearby, member nations of the European Union engage in the daily discourse of the European Parliament. Enjoy the Captain's Farewell Reception and Dinner this evening onboard the ship.

**Basel, Switzerland/Bern/Lucerne**
**Thursday, July 23**
Disembark the ship in Basel. Transfer across the bucolic Swiss countryside to Switzerland’s capital, Bern. Tour its beautifully preserved Old Town, a UNESCO World Heritage site framed by its signature 15th-century arcades and the Aare River. Enjoy lunch in an 18th-century High Baroque-style granary, today a traditional Bernese restaurant.

Journey from the foothills of the Alps through the Bernese Oberland to admire the UNESCO World Heritage-designated Jungfrau, an imposing summit known as the “Top of Europe.” En route to Lucerne, admire the soaring Alps, Switzerland’s stunning archetype of snowcapped peaks, crystal-clear glacial lakes and densely wooded forests.

Check into the Five-Star Bürgenstock Resort’s Waldhotel, with breathtaking views overlooking Lake Lucerne.

**Lucerne**
**Friday, July 24**
The rugged grandeur of Mounts Pilatus and Rigi reflected in a deep blue lake make Lucerne a long-favored travel destination. Begin your walking tour amid historic burghers’ houses in the
Weinmarkt (wine market); then, see the Hofkirche (Court Church), an exceptional example of German Renaissance architecture, and the Lion Monument, dedicated to the Swiss Guards who gave their lives defending Louis XVI during the French Revolution. Walk underneath tableaus of Swiss history and mythology painted on the arched roof of the 14th-century wooden Chapel Bridge, Lucerne's most famous landmark, spanning the Reuss River.

Reach Mount Pilatus's 7000-foot summit by panoramic gondola for a 360-degree vista of central Switzerland's unforgettable topography and lunch in a summit restaurant. Board the Pilatus Railway, the world's steepest cogwheel railway, and descend nearly 5400 feet in less than three miles to Lake Lucerne. Cruise along its placid waters—the glistening namesake of Beethoven's “Moonlight Sonata,” surrounded by the magnificent Swiss Alps.

Lucerne/Andermatt/Zermatt
Saturday, July 25
Relax during a scenic morning transfer from the resort to Andermatt. After lunch in Andermatt, board the fabled Glacier Express, “the world’s slowest express train,” and delight in the surrounding natural beauty through panoramic windows along this ingenious rail route.

Arrive in the Alpine resort of Zermatt, located beneath the dramatic pinnacle of the iconic Matterhorn. Check into the deluxe Hotel Schweizerhof Zermatt.

Zermatt
Sunday, July 26
Ascend through pine and larch forests, crossing meadows ablaze with wildflowers and past distant peaks blanketed by snow, aboard the highest cog railway in Europe, the Gornergrat Bahn. Sweeping vistas of breathtaking Alpine scenery unfold from atop the 10,100-foot summit, where the serrated profiles of the Matterhorn, the Liskamm and the Dufourspitze mountains and the vast Gorner Glacier extend beyond your periphery. Return to Zermatt at your leisure; enjoy stops including Riffelberg featuring a panoramic view of the Monte Rosa and the Matterhorn.

Enjoy the Farewell Reception this evening in the hotel.

Zermatt/Geneva/U.S.
Monday, July 27
Following breakfast, transfer to Geneva for your return flight to the U.S.

Marvels of Engineering

LEGENDARY RAILWAYS of the SWISS ALPS

Appreciate the visionary work and vast scope of Switzerland’s impressive railways as you experience firsthand the sublime majesty of the iconic Alps from incredible perspectives. Journey on three of the world’s great Alpine railways—the panoramic Glacier Express, the scenic Gornergrat Bahn and the dramatic Pilatus Railway—and, while admiring the ingenious engineering necessary to create your routes, savor vignettes of the quintessentially Swiss landscape—including 14,000-foot-high mountain peaks, flowing streams, cavernous gorges and crystalline glaciers.

The Gornergrat Bahn is Switzerland’s oldest electrified cog railway, in operation since 1898. In the brief span of five miles, you will climb nearly 5000 feet from Zermatt to lofty Gornergrat. En route and at the summit, prepare to be mesmerized by the unforgettable views of the great Matterhorn, hanging glaciers and the blue waters of glacial mountain lakes.

Lucerne’s Pilatus Railway offers breathtaking bird’s-eye views of Swiss farms and coniferous forests along its three-mile route from the summit of Mount Pilatus to the shores of Lake Lucerne. Its vertical descent of nearly 5400 feet over a grade as steep as 48 percent is highlighted by its stunning 360-degree views.

No feat required greater skill and determination than the engineering of boldly curving iron rails and soaring viaducts for the Glacier Express (1930) across the spine of the towering Alps. Experience this spectacular and leisurely journey showcasing unmatched views of the Swiss countryside: weathered chalets and mountainside farming hamlets, picturesque trails dotted with hikers, livestock grazing on green grasses, glacial waterfalls and snowcapped mountains. A true engineering marvel, the railway penetrates the mountain barrier separating the cantons of Valais and Uri through the nine-and-one-half-mile-long Furka Tunnel and crosses arched stone bridges that stretch across the tumbling headwaters of the Rhine and Rhône Rivers.

Travel in comfort through Switzerland’s stunning Alpine heart aboard the celebrated Glacier Express.
