CATI OUTBOUND INTRODUCTION

Hello, my name is ____ and I'm calling on behalf of Vanderbilt University. This is not a sales call. We're conducting a survey about important issues. This call may be monitored or recorded for quality assurance.

[READ IF NECESSARY: We're not selling anything. We're just doing an opinion poll on interesting subjects for research purposes only.]

[READ IF NECESSARY: I am calling from SSRS, a national research firm, on behalf of Vanderbilt University.]

- S1. [IF LANDLINE:] May I please speak with the YOUNGEST [RANDOMIZE: (MALE / FEMALE)], age 18 or older, who is now at home? [READ IF NECESSARY: Your phone number has been randomly selected to complete the survey. We are not selling anything.]
- S2. [IF LANDLINE AND NO (MALE / FEMALE), ASK:] Then may I please speak with the YOUNGEST [RANDOMIZE: (FEMALE / MALE)], age 18 or older, who is now at home?

CPAGE. [IF CELL:] What is your age? [CONTINUE IF 18 OR OLDER]

CPAGEREF. [IF CELL AND CPAGE=DON'T KNOW OR REFUSED:] Keeping in mind that this is a completely confidential survey... Could you please tell us if you are under 18, 18 to 24, 25 to 29, 30 to 34, 35 to 44, 45 to 54, 55 to 64, or 65 or older? [CONTINUE IF 18 OR OLDER]

S4. [IF CELL:] Are you now driving a car or doing any activity requiring your full attention?

MAIN SCREENING INTERVIEW (LANDLINE AND CELL)

RSTATE. What state do you currently live in? [CONTINUE IF TENNESSEE]

RCOUNTY. And in what county do you live? [IF DK/REFUSED OR IF NECESSARY, PROBE ONCE: "This question helps us to accurately determine what part of the state people who complete the survey live in and is used only for classification purposes. You cannot be contacted based on this information."] [CONTINUE]

REGIST. These days, many people are so busy they can't find time to register to vote, or move around so often they don't get a chance to re-register. Are you NOW registered to vote in your precinct or election district or haven't you been able to register so far? [CONTINUE IF REGISTERED VOTER]

*Notes: Because percentages are rounded, they may not total 100%.
An asterisk (*) indicates less than 0.5%.
Trends are based on all Registered voters unless otherwise indicated.*

¹ Beginning in May 2015, polls used sample from the list of registered voters in Tennessee. All previous polls used RDD methodology with landline and cell phone samples.
