**Diversity, Equity & Inclusion (DEI) Committee**

Committee Description: To be concerned with policies, programs, and practices that will ensure considerations of diversity, equity, and inclusion in the Faculty Senate and in the University.

2021-2022 charges:

1. Identify how the DEI Committee can collaborate with each of the Senate Standing Committees to ensure the DEI is included in the decisions and activities of all parts of the Faculty Senate.

2. In collaboration with the Executive Committee, Administration, and key stakeholders, advance the implementation of the Latinx Identity Center and find opportunities for multicultural inclusiveness across campus.

3. Communicate and coordinate with DEI committees across campus to synergize efforts and consider joint programming for faculty, staff, and students.

4. Assess current opportunities for diversity and sensitivity training across campus and how to engage a larger audience with programming.

5. In your final report for the year, make recommendations for the committee to consider or follow-up on in the 2022-23 academic year.
