Suggestions for Future Charges/Actions

1. Form a working group to address streamlining of the faculty manual
   - Working group would coordinate with Vice Provost for Faculty Affairs Tracey George and Senior Associate Dean for Faculty Affairs David Raiford to rewrite sections of the manual. All changes would then be presented to the whole committee for review, approval, and presentation to the Faculty Senate.
   - The working group would also identify sections of the manual that do not fall under Faculty Governance and that could either be simplified or deleted. Again, proposed changes would then be presented to the whole committee for review, approval, and presentation to the Faculty Senate.
