Default Question Block**FEEDBACK ON DRAFT GREEK LIFE TASK FORCE RECOMMENDATIONS: GREEK COMMUNITY**

To collect information from stakeholders on the draft recommendations of the Faculty Senate's Greek Life Task Force (GLTF), the Executive Committee of the Faculty Senate has created a short survey to collect your feedback about the GLTF's recommendations. We value your candid, honest, and constructive feedback. This feedback will inform the further discussion of these proposals within the Task Force itself and at the level of the Faculty Senate as a whole. We remind the community that recommendations that do emerge from the Senate are purely advisory and are then evaluated by the Administration for their viability and appropriateness in the context of the institution's larger mission.

We ask you to respond to each of the recommendations from the GLTF as it applies to your respective council chapter (IFC, NPHC, or Panhellenic). The survey begins with brief information on your background that is not intended to be identifying in any way. All responses are anonymous and will only be shared in aggregate form.

Please complete this survey by Friday, February 19, 2016. The Executive Committee of the Faculty Senate thanks you for your participation.

Statement of Confidentiality:

The Senate is engaged in its due diligence to evaluate the Greek community's views about these recommendations. Because the Senate's study is in its early stages we are currently surveying only current Vanderbilt students who are members of the Greek community and Greek alumni/ae advisors. We ask that you respect this focus and not forward this survey to other individuals. As the Senate proceeds with its study of this important matter it is committed to engaging more broadly with the Greek community and other stakeholders.
