Vanderbilt’s LAPOP (Latin American Public Opinion Project) Individual Annual Subscription
Renewal Licensing Agreement for AmericasBarometer Data Sets

Name of Individual Subscriber: ____________________________

ORIGINAL AGREEMENT:
Whereas the Licensor and Licensee entered into a Licensing Agreement for AmericasBarometer Data Sets which started on __________ (date) and expired one year from the start, on __________ (date).

RENEWAL TERM:
The Licensor and Licensee hereby agree to renew the Original Agreement for a further term of one year commencing once signed license AND full payment are received, and ending at midnight one year from the date of commencement.

TERMS AND CONDITIONS:
All the terms and conditions of the Original Agreement shall remain in full force and effect.

DATA ACCESS
The Subscriber shall choose between two options to access the data sets. The first and preferred method is via IP authentication, as it is the most convenient option for both Subscribers and LAPOP. The second is using a username and password to log in. Either option is only for use by the Subscriber. Access will expire upon termination of the agreement.

IP Authentication Requirements:
The Subscriber must have a fixed IP address or range of IP addresses through which it connects to the internet (individual computers may have dynamic server-assigned addresses as long as they use a gateway with a static address to access the internet). Once your IP address(es) are sent to LAPOP, Subscriber access will be set up via IP authentication.

Username / Password Log In
For those who prefer to access the data via username and password, these credentials will be created.

Indicate which subscription you are renewing below and how you would like to access the data:

A. If you are located in the U.S., Canada, Japan, Western Europe or in a European Union member country1, choose:
     New survey years will be added when available.
   - Access via IP authentication
   - Access via username/password log in

B. If you are located in any other part of the world, choose:
     New survey years will be added when available.
   - Access via IP authentication
   - Access via username/password log in

1 Individuals and institutions located in the U.S., Canada, Japan, Western Europe and European Union member countries have a different type of subscription than those in other countries. This allows us to discount the cost of data sets to certain countries, providing more fair access. Countries in the European Union or who are considered to be in Western Europe are: Austria, Belgium, Bulgaria, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Ireland, Italy, Latvia, Liechtenstein, Lithuania, Luxembourg, Malta, Monaco, Netherlands, Poland, Portugal, Romania, Slovakia, Slovenia, Spain, Sweden, and the United Kingdom.
