Now I will be asking you some questions about incidents that you or other household members might have experienced in the last five years -- that is, since 2011. [Note to interviewers: if the respondent has indicated being the victim of a crime in the last twelve months, they should indicate it again if that type of crime appears in the set of questions that follow].

IVOL1. In the last five years, have you or anyone else in your household had a car, van, SUV or pick-up truck that belonged to you or another household member, stolen or driven away without permission?

[DO NOT INCLUDE A CAR BEING TAKEN BY A FAMILY MEMBER WITHOUT PERMISSION, UNLESS THE OWNER CONSIDERS THIS THEFT]
[Int: INCLUDE LEASED/RENTED CARS AND COMPANY CARS AVAILABLE FOR PERSONAL USE]
[HOUSEHOLD MEANS CURRENT HOUSEHOLD MEMBERS; HOUSEHOLD MEMBERS ARE PEOPLE WHO LIVE IN THE SAME HOUSE AND REGULARLY EAT TOGETHER]

IVOL2. In the past five years (that is, since 2011), did anyone actually get into your main home without permission and steal or try to steal something? I am not including here thefts from the garden, garage, shed or lock-up or from a second home.

[INCLUDE CELLARS THAT ARE PART OF THE HOME; INCLUDE STATIC MOBILE HOMES/CARAVANS; DO NOT INCLUDE SECOND HOMES]

</tbody>

Next I want to ask you some questions about what may have happened to you personally. Once again, I want to ask you to think about the last five years -- that is, since 2011. Car thefts or thefts from your home that you may have just mentioned as having happened to you or other members of your household must not be mentioned now.

IVOL3. In the last five years, has anyone stolen, or tried to steal something from you by using force or threatening you with force?

</tbody>

IVOL4. Excluding thefts by using force or threat, there are many other types of theft of personal property, such as pick-pocketing or theft of a purse, wallet, clothing, jewelry, mobile phone, and mp3 player, or sports equipment. In the last five years (that is, since 2011) have you personally been a victim of any of these incidents?

</tbody>
</table>

Now I am going to ask about other incidents when someone has used force against you, or threatened to do so. Once again, I want to ask you to think about the last five years - that is, since 2011. This might have involved someone you knew, or someone you did not know at that time. Remember that your answers will, of course, be treated confidentially and anonymously. Car thefts, thefts from your home, robberies, or personal thefts that you may have just mentioned must not be mentioned now.

IVOL5. In the past five years, has anyone slapped you, hit or punched you, kicked you, thrown something at you, or attacked you with a weapon in a way that really upset or angered you? Do NOT include horseplay, and do not include incidents of a sexual nature or incidents of domestic violence.

(1) Yes  (2) No  (88) DK (cannot remember)  (98) DA (Refusal)

IVOL6. Separately from any incidents you have already mentioned, in the past five years (that is, since 2011), has anyone seriously threatened to slap, hit, punch or kick you, threatened to throw something at you or otherwise injure you, or threatened you with a weapon in a way that really upset or angered you? Do NOT include threats made as jokes, and do not include incidents of a sexual nature or incidents of domestic violence.

[GIVE CARD B TO THE RESPONDENT]
On this card there is a ladder with steps numbered 1 to 7, where 1 is the lowest step and means NOT AT ALL and 7 the highest and means A LOT. For example, if I asked you to what extent do you like watching television, if you don’t like watching it at all, you would choose a score of 1, and if, in contrast, you like watching television a lot, you would indicate the number 7 to me. If your opinion is between not at all and a lot, you would choose an intermediate score. So, to what extent do you like watching television? Read me the number. [Make sure that the respondent understands correctly].
