**Move-In ONLY - Special Instructions for Packages Sent to Fall 2018 Upper Classmen**

- We recommend shipping packages for move-in via UPS Ground or FedEx Ground ONLY. This is the cheapest method of shipping that includes free tracking and insurance up to $100.00.
- Please do not ship packages prior to 7 days before your scheduled move-in date.
- We recommend not using Home Depot, Lowes or U-Haul boxes, as they do not hold up well! Tape excessively!
- Package all items securely and add extra protection for fragile items. Use filler for empty space in boxes to avoid breakage or causing the box to collapse. Packages should not weigh more than 50 pounds, unless one single item.
- Using the Address Format below, the student’s full given proper name and the campus address should be clearly marked on all packages. **DO NOT ADDRESS PACKAGES TO A RESIDENCE HALL.** Packages should be numbered (for example, 1 of 3, 2 of 3, 3 of 3, Etc) if shipping multiple packages.
- Please use shipping boxes that your student will be able to carry/handle.
- We recommend insuring packages for the value of the contents. UPS and FedEx Ground insure each package for up to $100 and provide a tracking number for each package free of charge. Please note the tracking number for each package and bring tracking numbers to package pick-up for confirmation of delivery.

**STUDENTS MUST PRESENT A VALID VANDERBILT ID TO CLAIM PACKAGES.**

**Picking Up Packages during Move-in:**

HELPFUL HINTS

1. Mail Services accepts the Commodore Card, and all other forms of payment.

2. NEVER SEND CASH IN THE USPS MAIL OR CAMPUS MAIL. We will not be responsible for lost cash.

3. Items provided by University Mail Services:
   • Insured, international, certified, registered, Express, signature and delivery confirmation services can be purchased Monday – Friday, 8 a.m. to 4 p.m.

4. In order to ensure that an item reaches the right student in a timely manner, always legibly print his or her full name (not a nickname) as registered at Vanderbilt, as well as the student’s PMB mailbox number, on all mail and packages. This may require that you give extra instructions to other mailers. For example, cellular telephones often are registered in a parent’s name. If a replacement telephone is mailed by an insurer, the address might list the parent’s name instead of the student’s name, thereby delaying delivery. Finally, be sure to include the return address on the envelope. Printed mailing labels are helpful and encouraged.

5. When sending packages to campus:
   • If the shipper indicates that they do not deliver to a box number, indicate that the item is being shipped to a street address – 2301 Vanderbilt Place. Be sure to include the PMB mailbox # and zip+4 to identify the student. This street address and zip code are unique to the Vanderbilt Station B Post Office.
   • Allow adequate time for packages to arrive after ordering or mailing.
   • When trying to locate a package, please have the tracking number, carrier used (DHL, USPS, FED-EX, UPS), and other specific information about the package.
   • If you have the tracking number of a package you are expecting, you can visit our website www.vanderbilt.edu/mailservices and track the package to see if it has arrived on campus.
   • Ship manageable sized packages that student can handle.

6. Campus Mailboxes Fees:
   • Undergraduate students who live on campus are given a mailbox free of charge.
   • Students who have off-campus privileges or study abroad will be charged for a mailbox on a per semester fee ($25.00).
     o Students who study abroad are charged the per semester fee to hold the mailbox in their absence.
     o Students who have off-campus privileges are charged a box fee. If you do not wish to have a mailbox on campus, you must contact Station B Post Office prior to the second week of the semester to be removed from the mailbox. Mailbox charges will not be removed after the second week of any semester.
