

Introduction to ecrt for Effort Coordinators

April 2018

Learning Objectives

After this introduction, you will be prepared to:

- Explain the effort certification process with ecrt
- Understand the certification responsibilities of the faculty in your area
- Ensure timely effort certification in your area by servicing as a liaison with OCGA and faculty

What is the effort certification process with ecrt?

ecrt is:

- A web-based effort certification tool
- Encourages compliance
- Increases productivity
- Allows for 'real-time' proactive monitoring of effort and payroll
- Has management and reporting tools such as:
 - Labor Distribution – by person and by project
 - Certification status – by person, by department, by school

New Effort Certification Process

Hybrid Approach to Effort Certification

Introducing Project Based Certification

Faculty

⑩ Certifying 100% of own effort

PI

⑩ Certifying all staff effort on a project statement

New Effort Certification Process

Hybrid approach to effort certification

New Quarterly Certification Schedule

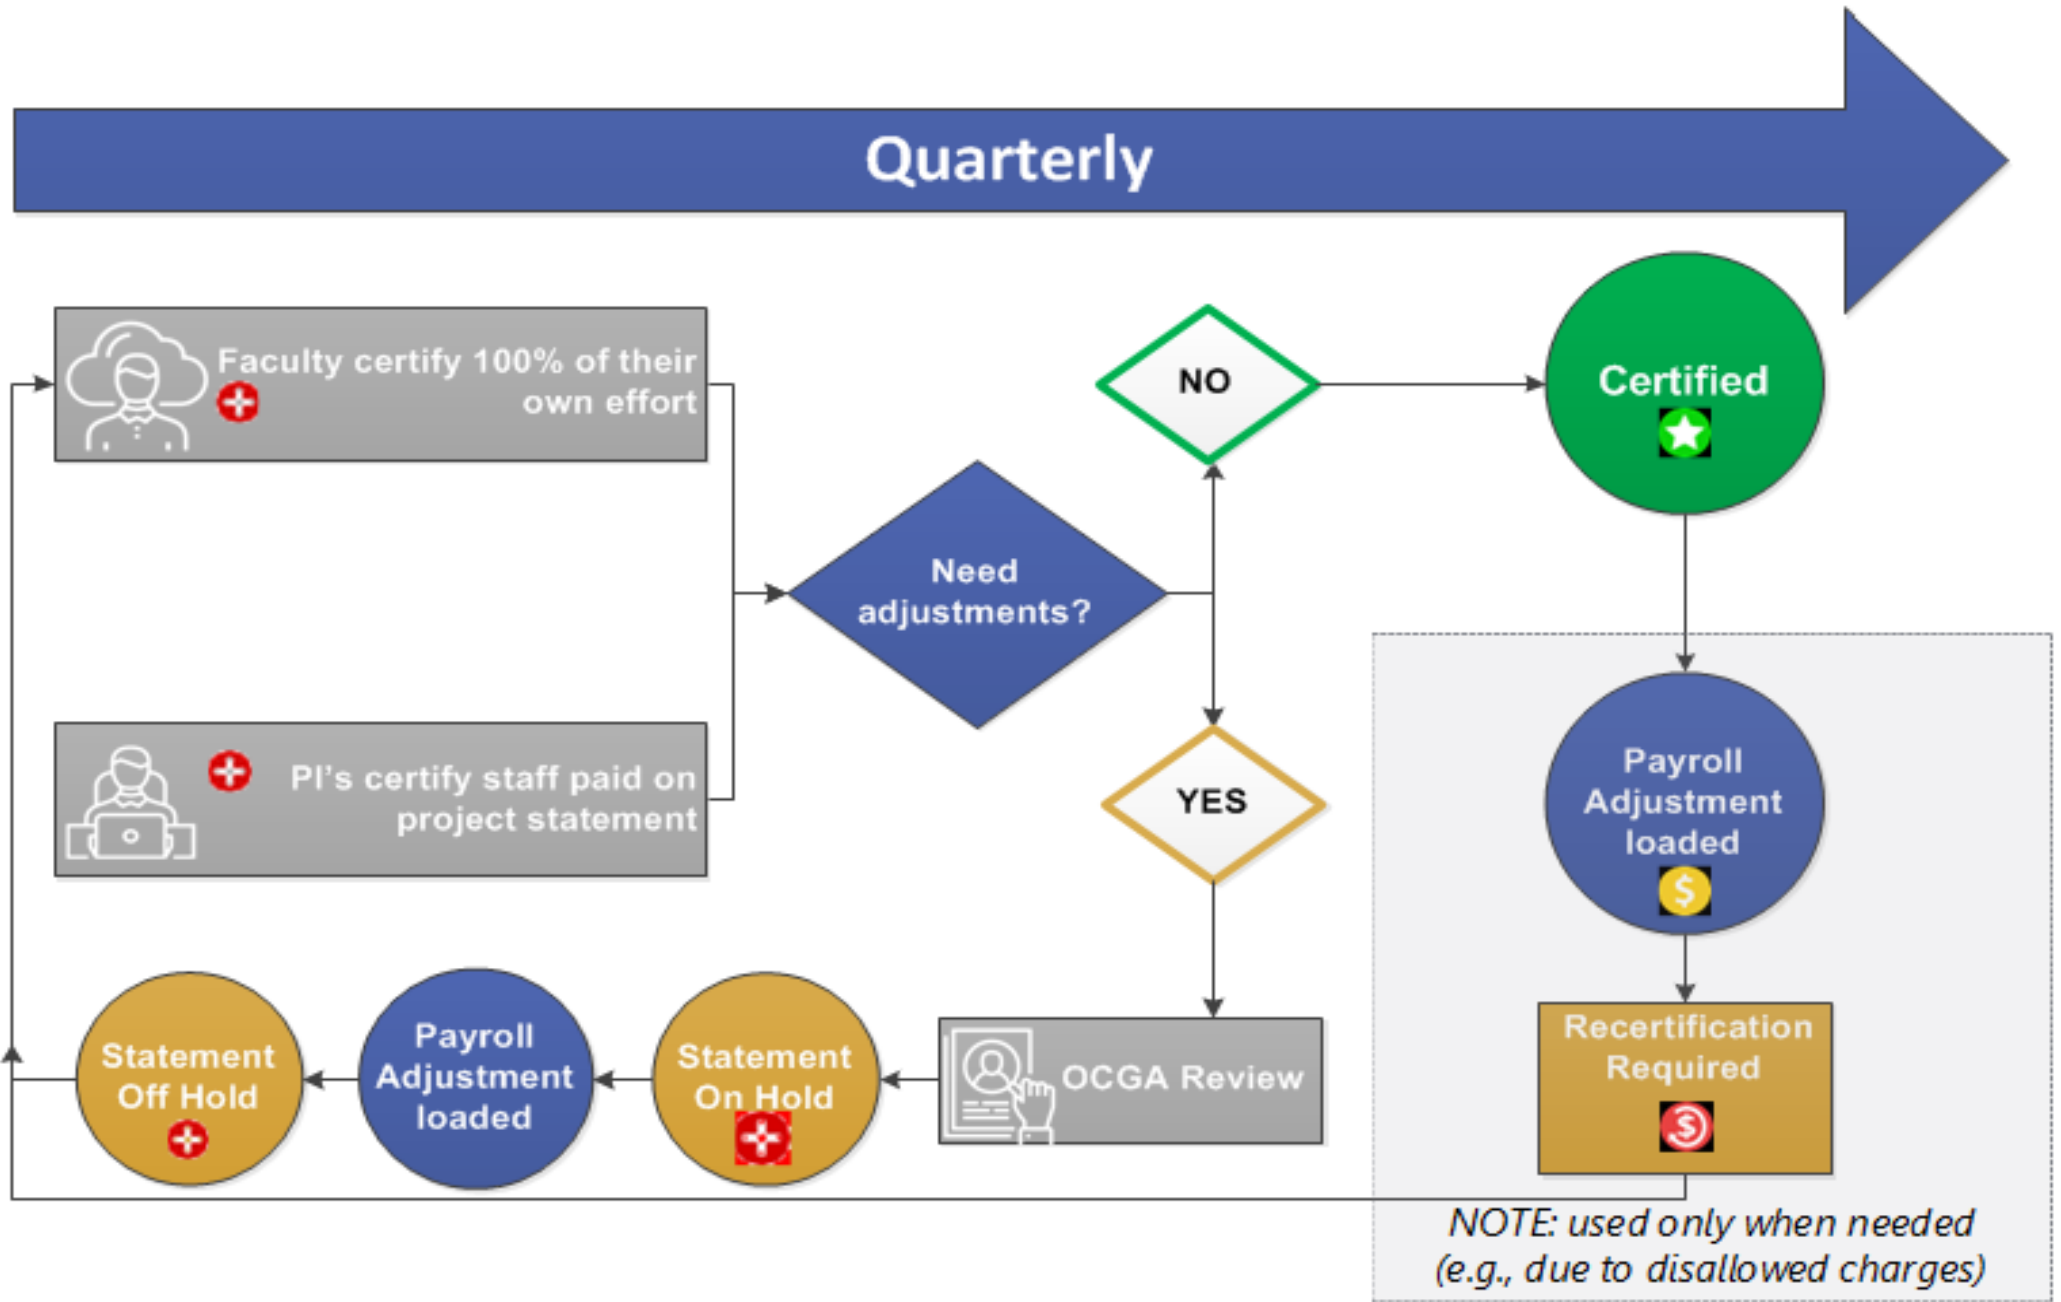

- September – November
- December – February
- March – May
- June – August

ecrt vs. EPAC effort certification

	ecrt	EPAC
Certification frequency	Quarterly process	Continuous process (i.e., at each individual change)
Certifying population	Faculty and PI's	All faculty, staff and students
Allocations	Whole percentages only • Key concept = acceptable range	Multiple decimal places

Effort Certification Process Flow

Effort Certification Roles

Faculty/PI

- Reviews effort statements for self and for any projects as PI in ecrt

Effort Coordinator

- Manages effort certification process for area
- Coordinates with OCGA if payroll adjustments are needed

OCGA

- Central oversight of ecrt application
- Processes payroll adjustments in Oracle Cloud HCM

Get Help functionality

Department Effort Coordinator

Faculty and PI's will be able to use the Get Help button on their effort and/or project statement to send an email to their Primary Effort Coordinator

On Hold functionality

OCGA

- Primary Effort Coordinator should contact OCGA for any payroll adjustments affecting effort and/or project statements
- OCGA will place the statement on Hold
- Certifier will not be able to certify a statement when it is On Hold
- OCGA will remove the Hold once the payroll adjustment has processed

How will faculty use ecrt to certify effort?

Rounding

Rounding

In some cases, the total percent displayed on an effort may not total 100%. This typically occurs because labor distributions are made to 2 decimal places while the ECRT system rounds each of these lines individually to display a whole number for certification. This is a widely accepted methodology and has been adopted broadly in the Higher Education industry without audit ramifications. Vanderbilt Audit, Risk and Advisory Services has deemed the methodology appropriate and compliant with all regulations.
