

INTENSIFY STRENGTHS

Choose a talent theme that you would like to use more fully. Look at each application touchpoint in the left-hand column below and identify actions that you can take that would allow you to more fully develop that theme.

An example is provided for you.

Application Touchpoint for Talent Development	Theme to Develop	Actions I can Take to Develop this Talent
<i>Reading</i>	<i>Context</i>	<i>Read a book about a person or time in history I am interested in learning more about.</i>
