Students interested in being considered for the Ingram, Cornelius Vanderbilt, and/or Chancellor’s Scholarship Program must first apply for admission by submitting the Common Application or the Universal College Application to Vanderbilt. Within two business days of submitting your application for admission to Vanderbilt, you should receive an email from the Office of Undergraduate Admissions explaining how to create your online MyAppVU account. Under the Scholarship Application tab in MyAppVU, you will be able to select the signature program(s) to which you wish to apply. For information purposes only, below are the questions for each of the signature programs. Through your MyAppVU portal, you will upload your response as a PDF document and submit online.
