# STUDENT ACCESS ANNUAL DATA REPORT

The Student Access Office provides accommodations, assistive technology, and proctoring for students with disabilities at Vanderbilt. These data provide a comprehensive overview of student engagement, including requests and support services offered. This year's report also captures the decreased ratio of access specialists to students resulting from the expansion of the access specialist team.

## BY THE NUMBERS

**Students Registered**
1847

*Undergraduate*
1237

*Graduate*
610

**Increase over 2023-24**
8.2%

**Students to Staff FY25**
308

*Students to Staff FY24*
461
