Hiring a Student Employee:

All Vanderbilt students are directed to our online job bank HireADore. Departments can post open positions and the student can contact them directly. Once you have hired a student you can inactivate your position in HireADore.

**How many hours can a student employee work?**

Undergraduates and International students can work up to 20 hours per week, all jobs combined, during academic periods.

Graduate/Professionals can work up to 29.5 hours per week, all jobs combined, during academic periods.

International Undergraduate students and International Graduate/Professional students are limited to working 20 hours per week during academic periods.

**How many hours can a student employee work in summer?**

Students can work up to 40 hours per week, all jobs combined as long as they are not enrolled in full-time classes. Students not enrolled at least half time during the summer are subject to FRINGE charges. The department will be responsible for the fringe match.

**Are departments required to give student employees breaks during their work period?**

Yes, depending on the hours scheduled. Please review HR Policy #030.

**Can a student work overtime? Do they get paid for holidays?**

Students should not work overtime, especially if they are working multiple positions. They do not earn holiday pay. Students are not eligible for staff and faculty benefits.

**What about hiring International student employees?**

Please refer to our website for information regarding the hiring process of International students.

**What can I pay a student employee?**

A Wage Matrix can be found on our website, however, it is up to each hiring department and their budget officer. Effective 07/24/2009, minimum wage was raised to $7.25.

**What happens if hiring processes change?**

Departments are responsible for staying up-to-date with HR policy/procedures so a student’s HR paperwork can be processed correctly. Student Employment sends periodic emails to departments with such information, as well as posting changes in the Student Employment HireADore Newsletter.
VU Institutional Employment - New Hire:

There are two types of Student Employment programs at Vanderbilt University:

1. VU Institutional Employment which requires the department to pay 100% of the student’s wages.
2. The Federal Work Study Program (FWS) allows a portion of the student’s wages to be funded by the student’s Federal Work Study award and a portion funded by the hiring department.

A New Hire student employee is a student who has never worked on Vanderbilt campus before. The following is required to be completed and/or submitted:

1. New Hire Personnel Action Form (PAF)
2. New Employee Information Form (NEIF) – this is the only time this form is completed.
3. W-4 Form
4. I-9 e-Verify Process

Has the student completed their I-9? **Do not** allow a student to work until this process has been completed! If they have started working, they must complete the I-9 within three days of the hire date or the student’s position will be terminated.

**What information is needed on the New Hire PAF in order for it to be processed?**

On the left hand side of the New Hire PAF please complete the following:

“Employee Information” is the full legal name of the student. Use the format – last name, first name, plus the middle initial (e.g. Smith, John L.). Also provide the full social security number. *This format helps prevent mistakes!

```
<table>
<thead>
<tr>
<th>Employee Information:</th>

</tr>
</tbody>
</table>
```

“Employee – Current Information” needs to have all of the applicable fields completed. Please provide the student’s permanent address as reported on their W-4.

Please use a U.S.A. address (if possible) for International student employees.
On the right hand side of the New Hire PAF please complete the following:

“Department information” needs all the information completed.

“Employee – New Information” – In order to process the paperwork we will need the following information:
1. Action = Hire
2. Reason = NPS New Position
3. Effective Date
4. Job Code (See page 20 for Job Code List)
5. Home Department ID#
6. Pay Group (UBA (Hourly)/UM1/MM1(Monthly)/MBB(Hourly))
7. Mail Drop
8. Standard Hours – This has to be a number. It can’t be a range.
9. Comp Frequency – Hourly or Monthly
10. Comp Rate – Hourly or Monthly pay rate

Please leave Benefits Salary blank. Students do not get benefits.
“Employee Distribution – New Information” requires the center number, the job code and the percentage.

Before sending to Student Employment did you attach the New Employee Information Form and the W-4? Has the student completed their I-9? Authorized signatures included?

New Hire PAF’s could be delayed in processing if the additional paperwork is not attached. All student employee paperwork should be sent to Student Employment. Please send the PAF and additional paperwork together.

Rehire - What if the student has worked on campus before but not in my department? Which hiring form do I complete?

The only thing your department will need to complete is a blank PAF Turnaround to hire Institutional students who have worked on campus before, even if they haven’t worked in your department.

Unsure if they have worked on campus before? You can contact Student Employment for their employee ID and inquire if additional paperwork is needed.

Are we able to transfer students from one department to another or send a Turnaround to another department?

Student Employment does not process transfers. The department who no longer needs the student’s services must submit a PAF Turnaround terminating the position. The hiring department submits a PAF Turnaround to rehire the student into their department.

Students may not be transferred into a staff positions. A termination PAF must be completed to terminate the student status. Refer to HR policies and procedures regarding staff personnel.
Federal Work Study Employee New Hire/Rehire:

Federal Work Study is a need based financial aid award. A student has to be eligible for FWS before they can be hired as an FWS Student Employee. The FWS Action Form has to be requested from Student Employment. FWS pays a set percentage of the student’s wage and the department pays a set percentage of the student’s wage. This is subject to change should funding levels change.

Prior to hiring the FWS student, please let them know if they will continue to have a position with your department if FWS funding is exhausted. Ask the student if they are using FWS for another position.

Unsure if a Student Employee has FWS?

Email Student Employment to see if a student qualifies for FWS funds.

Do I need to complete a PAF and a FWS Action Form to hire a student into FWS?

No. The FWS Action Form is a Personnel Action Form (PAF). Do not complete both as it may cause double entry of positions.

How do I get the FWS Action Form for a student employee?

Email Student Employment to request the FWS Action Form for your eligible student. This form must be emailed to the initiator as you will not find this form online. Student Employment must verify the student’s FWS eligibility prior to the hire.

What if the hire date is prior to the FWS start date? Do I complete a PAF and an FWS Action Form?

No. Any date that is put on the FWS Action Form that is prior to the FWS start dates will be processed as Institutional and then switched to FWS when it begins. A Personnel Action Form (PAF) will not be accepted to hire someone into FWS.

What happens when a student’s funding is exhausted?

Student Employment will notify the hiring department as well as the student to notify them that the FWS funds have been exhausted. The student’s position will be switched from FWS to VU Institutional employment. It will be up the department, in conversation with the student, whether they can retain the student position.

If your student is classified as a new hire (has not worked on campus before) you will be notified when the FWS Action Form is sent to your department. You and/or your student will need to complete the following:

1. FWS Action Form
2. New Employee Information Form (NEIF) – this is the only time this form is completed.
3. W-4 Form
4. I-9 e-Verify Process
What information is needed on the FWS Action Form in order for it to be processed?

You do not need to change or complete anything under “Student Employee Information”. It is pre-printed. Any change in this area will be completed by Student Employment.

“Student Job Title” & “Job Description” must be completed.

“Employee Distribution” must be completed. If there one center number the percent will equal 100%. If there is more than one center number then the percentage is divided to equal up to 100%. While FWS does pay a percentage of the student’s wage, the center reported should indicate 100%.

“Hiring Department Information” must be completed. The person/s listed will be contacted regarding issues with paperwork/payroll:

```
Hiring Department Information
Home Department: ____________________________
PAF Responsible: ____________________________
Location: ____________________________
Initiator: ____________________________
Email: ____________________________ Phone: ____________________________
```

“Employee – New Information” requires an effective date. If you put a date on the FWS Action Form, for example August 1st to the start of FWS, the student will be processed under Institutional Employment and then switched to FWS on the FWS start date. The department does not have to complete a PAF and an FWS Action Form.

If the student is currently active in summer employment, the effective date for the position change will be the start date of FWS.

Warning: Student Employment will not back-date or retro-actively apply FWS. We will make the position change effective the start of the current payroll based on the time we receive the FWS Action Form.
“End Date” - All FWS students are switched from FWS to VU Institutional Employment at the FWS end date or prior if the FWS funding has been exhausted.

Departments must put in a termination PAF for all hourly (UBA/MBB) student employees after the student’s last day of employment. Please do not put an end date on the FWS Action Form for hourly student employees.

For Monthly (UM1/MM1) employee positions you may put an end date on the effective date row as follows:

**Employee - New Information**

**Effective Date:** 09/01/14 – 06/01/15

Any effective prior to the listed FWS Start will be processed as Institutional Employment and switched on the appropriate date to FWS.

“Job Code – Please Circle Appropriate” must be completed. The enrollment level of the student is shown in the top left hand corner under “Student Employee Information”. You need to circle the appropriate job code. Community Service positions are within departments who serving the Nashville community at large.

1. Home Dept. ID
2. Pay Group (UBA (Hourly))
3. Mail Drop
4. Standard Hours – must be a number not a range.
5. Comp Frequency – Hourly or Monthly
6. Comp Rate – Hourly or Monthly pay rate

“Approval Signatures” – you must have the FWS Action Form signed by PAF authorized personnel. If you are not sure who that is let us know. Please print your name underneath your signature.

Once completed the original FWS Action Form must be sent to Student Employment.
Before sending to Student Employment did you attach the New Employee Information Form and the W-4? Has the student completed their I-9? Authorized signatures included?

FWS Action Forms could be delayed in processing if the additional paperwork is not attached. All student employee paperwork goes to Student Employment. Please send the FWS Action Form and additional paperwork together to prevent a delay processing.

The email received with the attached student FWS Action Form will provide you step-by-step instructions regarding paperwork requirements. If the student has worked on campus, the email will indicate that no additional paperwork is required.

Changes to Student Employees/Rehires:

Tips: Please use the following Action/Reason to ensure your hiring paperwork is processed correctly. These are codes used for processing the HR paperwork into the HR system.

An effective date is required for all actions. Record only the data to be changed. For example: a termination only requires the action/reason listed above and an effective date.

Unsure if the student is a New Hire, Rehire or being hired into an Additional Job?? Email Student Employment.

1. To rehire a student who has worked at Vanderbilt before (Institutional funding only) please use the following terminology on the PAF Turnaround:

   ![Employee - New Information]

   Action | Reason
   ------ | ------
   Rehire |   Rehire

2. To hire a student into an additional job (Institutional funding only) please use the following terminology on the PAF Turnaround:

   ![Employee - New Information]

   Action | Reason
   ------ | ------
   Hire   |   Additional Job

3. If you are making multiple changes to a student’s record via a PAF Turnaround, (for example: EDC, hours, and a Pay Rate) (Institutional funding or FWS) please use the following terminology on the PAF Turnaround:

   ![Employee - New Information]

   Action | Reason
   ------ | ------
   Posn Chg | Status Change

4. To change ONLY the earnings distribution center (Institutional funding or FWS) please use the following terminology on the PAF Turnaround:
5. To change ONLY the pay rate (Institutional funding or FWS) please use the following terminology on the PAF Turnaround:

6. To terminate (Institutional funding or FWS) please use the following terminology on the PAF Turnaround:

   - “Termination/End – Graduated” for students who have graduated from Vanderbilt.
   - “Termination/End” to terminate a student who is still a current Vanderbilt student.

Terminations:

Student Employment prefers departments do not put in future terminations for hourly paid students. Future terminations have caused too many issues which include payroll and EPAC. It is preferred that departments send in a Termination PAF after the student has completed their last day of work.

While procedures may have been different in the past, the current HR/Payroll procedure is that the “termination/end” date is the “first date the employee will be in a terminated status. This will be the first day not worked in the department or, in other words, the first day after the last day worked for your department.”

For example: If a monthly paid student works for the month of May and the last day they work is on 05/31/2013, the termination/end date reported on the PAF should be 06/01/13. Your student will then receive a full month’s wages.

The same applies for hourly paid students. If their last day is 05/15/13 the termination date put on the PAF will be 05/16/13.

Do we have to terminate or change the standard hours when students are on breaks or for the end of each semester during the academic year?

No, you do not need to terminate at the end of each semester or during breaks. The only time a student needs to be terminated is when they are no longer working for your department or if they leave over summer as it is usually a two – three month break in employment. Please put “Graduating” on the termination PAF if the student has graduated. Students who graduate may work as a student employee until May 31st. After that date the student must be terminated. If the student is working past May 31st they need to be hired via Vanderbilt Temporary Services.
What happens if I do not get a turnaround? How do I know for sure if my student has been terminated?

The termination should show in Business Objects. You are also able to check ePAC and see if students are active under your department center. If the student has a future termination date, you may enter an “as of” date in the Business Objects criteria, verifying they are active in your department. If the student is hourly, you will no longer see them listed on your e-Timesheet list after the termination date.

Changes in EPAC:

The only change that may be done in ePAC for student employees is an Earnings Distribution Change.

Student Employment prefers departments complete a PAF Turnaround for this action. When departments make changes in EPAC it will not affect future changes already made on the student’s record. This may cause distribution and/or payroll issues. EPAC entries will not change the student’s job code and a PAF Turnaround will have to be completed to make that change.

Summer Employment:

Students working over summer may work up to 40 hours per week in all active positions combined. They may continue to work in student Job Codes. They should not work overtime, especially if they have multiple positions.

If a student is not enrolled at least half-time during a pay period the student will have to pay their portion of FICA. FICA = Social Security and Medicare. It is accessed at 7.65% of gross wages. These withholdings will be in addition to the federal income taxes withheld based on the gross wages as well as the student’s withholding selection.

The hiring department will also be charged the employer’s portion (7.65%) of FICA (FRG code) for all students employed who are not enrolled at least half-time during a payment period.

Forms:

Where can we find the hiring forms?

With the exception of the FWS Action Form, all hiring forms can be found on our website under the menu item For Employers → Forms. Forms found here have been annotated with the following:

**This is a Student Employee:**

Mail form to: STUDENT EMPLOYMENT Box 407810 Station B.
Deliver form to: 2309 West End Ave, Nashville TN 37203

W-4 Forms: Does a New Employee Information form and W-4 need to be completed for Rehires?
No. A “New Employee Information Form” is only required for the first time a student starts working on Vanderbilt campus. We do not need this form after the initial hire.

A W-4 is not required for a rehire unless they wish to change their withholding status. They can view their current selection on C2HR. Departments may email Student Employment to verify if additional paperwork is required.

The W-4 must be completed by the student. Do not complete this form for the student. A W-4 “How to Complete” Guide is on the Student Employment website under For Students > Forms.

Please ask the student to contact a parent/guardian or tax advisor in regards to completing their W-4. Incorrect W-4’s causes the student’s payroll to be impacted. Please check to make sure it has

**IMPORTANT:** The student’s address reported on the W-4 is the address used for students. Students may update their address via C2HR. However, students should be encouraged to use their permanent address.

**Payment Correction Requests (Formally Additional Pay Forms – APF):**

All Payment Correction Requests (PCR) are to be sent to Student Employment. To avoid having to complete a PCR please adhere to the Payroll Deadlines. Failure to do so will result in the student not being paid till the next pay period which in most cases is in a month’s time.

*Should I complete a Payment Correction Request (PCR)?*

First contact Student Employment to verify that a PCR is necessary. When monthly paperwork deadlines are not adhered to, a PCR is required in order for the student to be paid.

*Can we request an off-cycle check if a student will not paid?*

An off-cycle check can be requested, however VU HR Payroll will determine if the off-cycle check can be processed. VU Payroll has been overwhelmed with off-cycle check requests. At times the student may be required to wait until the next pay period to be paid.

*Who do I contact in order to request an off-cycle check?*

Please contact Student Employment for all off-cycle check requests for student employees.

*Why may a student be required to wait till the next pay period?*

During high volume times the focus is on the current pay periods to ensure students get paid on time. Payroll sometimes gets requests for over 300 off-cycle checks making it impossible for current and past deadlines to be met at the same time.

*Why can't an off-cycle check be direct deposited?*
The off-cycle check is not part of the regular pay cycle. The check has to be printed, and authorized signatures obtained. The student will be notified to pick up their check from Medical Center North or 2525 West End.

**Paperwork Deadlines:**

Departments need to adhere to the hiring paperwork deadlines to ensure student employees are paid on time.

*What are paperwork deadlines?*

PAF, FWS Action Forms, and/or additional hiring documents need to be received in Student Employment (SE) in order to meet the payroll process. Paperwork and timesheet deadlines can be found on our [website](#).

*What if the paperwork is received by Student Employment after the deadline?*

If your paperwork is late please contact Student Employment for further assistance. Late paperwork will delay the student’s payroll.

*I sent the PAF/FWS Action Form to the Dean or Budget Officer for a signature, but I’m not sure if Student Employment received it?*

It is recommended that you put a coversheet with your hiring PAF’s when you send them to another office for signatures. You may want to contact the office to make sure the paperwork was sent to Student Employment on time.

The following is an example of a coversheet:

**Student PAFs Authorized Signature Request**

**TIME SENSITIVE**

Date Sent:

Please approve and send the following PAF/APF to Student Employment By: ____________All Student Employee Paperwork goes to Student Employment for processing.

To: Student Employment
   StudentEmployment@vanderbilt.edu
   2309 West End Avenue
   Nashville TN 37203-1725

Unsure if Student Employment has received the paperwork? Email Student Employment to check on the status. If it has been received on or prior to the deadline, it will be processed in time for payroll.
Tips to Help Expedite Paperwork:

1. Make sure everything is correct prior to sending it to Student Employment.

2. On the PAF/FWS Action Form, please be sure that the Home Department information includes not only your department number, but also your department name on the top right.

3. Please staple hiring paperwork together. For example the W-4 and New Employee Information Form behind the PAF/FWS Action Form

4. If you have a Payment Correction Request, please attach behind the PAF/FWS Action Form along with any other hiring.

5. Please stack your mail by pay group (UBA (University Hourly) / UM1/MM1(Monthly)/ MBB( Medical Hourly)). Student Employment sorts paperwork by the pay group. Make sure the correct pay group has been listed.

6. If attaching additional paperwork, please make sure the W-4 is correct prior to sending.

7. Please do not print out and send us copies of I-9 paperwork.

Timesheets/e-timesheets:

The majority of departments should be using e-timesheets. A student must submit an e-timesheet in order to allow the appropriate administrator approval. Use the e-timesheet reporting tool to help train your student employee.

If an e-timesheet is submitted but not approved, it will be uploaded into payroll. An email will be sent to the student and the approver letting them know. Please provide your student employees with timesheet deadlines.

If a student is working multiple jobs they must select the correct job through a drop down box listed under “Home Department/Record#” on their e-timesheet. Please train your student employee to ensure the correct job is being selected.

What if I don’t see a student listed on e-timesheets?

Students may not be able to use e-timesheet for their first pay period. If your student is not on your e-timesheet list then please submit a paper timesheet for their first pay period. If an e-timesheet or non-payment issue continues please email Student Employment.
How can I be added as an approver for e-timesheets?

An Electronic Timesheet Approver Access form needs to be completed. The decentralized admin can grant/remove access to the department(s)/center(s) requested. By being a decentralized admin that person can complete the request within Privilege Management or you can email to VU HR Security at 2525 West End, Suite 500.

While waiting for a student to have access to e-timesheet, where can they pick up a blank paper timesheet if one is unavailable in our department?

For brown-backed (UBA) or green-backed (MBB) a student may pick up a timesheet from:
- SE (limited supply)
- 975 Baker Building Lobby/Front Desk

For green-backed (MBB) only:
- Medical Center North

Paper timesheets must include the following:

1. Employee ID/Record Number. If you do not have an employee ID, you must complete the FULL social security number (preferred) or Commodore ID.
2. Department Name.
3. **Pay Period End Date – See Payroll Calendar**
4. Center Number (should match the center that was authorized by the Dean/Budget officer).
6. Completed hours for week 1/week 2.
7. Time worked to one decimal point.
8. Employee & Supervisor’s signature. Supervisor must also print their name.
IMPORTANT: It is the student and department’s responsibility to ensure that the hours are accurate and added up correctly. We will process the overall total hours for each week.

Please make sure the student has put the hours to one decimal point. See above. For example if a student worked 1 & ¼ hours then it should be written as 1.2. If the student writes 1.25 it will only be processed at 1.2. Please see the back of the Timesheet for instructions.

Communication is important. Please make notes on the timesheets especially if the student is being paid for hours missed on a previous timesheet that the student was previously paid for.

How can I be added as an approver to pick up pay checks?

A Payroll Check Distribution Form needs to be completed and send to HR Processing, PMB 407718.

Where do I send a student’s paper timesheet?

All FWS and Institutional paper timesheets should be submitted on Mondays to Student Employment. Sending it to VU Payroll may delay processing, however, Payroll will forward these timesheets to Student Employment.

What if the timesheet is late?

If the timesheet is late the student will not be paid till the next payroll deadline.

Part of a student employee’s responsibilities is to complete a timesheet. Students need to comply with VU HR Payroll deadlines. Student Employment recommends that your department put into place a procedure for students who do not meet the mandated deadlines. Student employees need to be oriented to the VU policies regarding time reporting requirements.

HR has a link in the HR Toolbox called Timesheets Directory that has several links pertinent to this subject.

My student never remembers to submit their timesheet. What can I do?

First, talk with your student and find out what the issue is. Make sure that they have been trained correctly and they understand the importance of time reporting. Here are some ideas to aid supervisors and students:

1. Send an email reminder from the supervisor
2. A text reminder
3. A note by the computer or work station
4. Verbal reminder before they leave at the end of the pay period.

Please note that a student must be paid for all time worked. After you have exhausted all options to resolve the issue, you may terminate the student.

WARNING: In regards to FWS students, the Federal Work Study Program has a limited yearly allocation, much like individual department budgets. FWS funding is monitored,
therefore any student, who has multiple outstanding timesheets or consecutive late timesheets, may be switched to Institutional funding which will result in your department being charged 100% for any outstanding timesheets.

**Student Payment Options:**

Students have several payment options they can use to be paid. They can use:

1. A check mailed to their department
2. A check mailed to their home address (Postal)
3. Direct Deposit (Sign up via C2HR)
4. **Vanderbilt Pay Card**

**What if the student’s check is lost, stolen or expired?**

A [Check Replacement Form](#) must be completed for each expired check. The student may bring the form to Student Employment or HR Processing/Payroll in the Baker Building.

Students also need to pick up any outstanding checks to make sure they are still valid. To correct a voided check causes unnecessary work for your department, Student Employment and VU Payroll to correct this issue. Please work towards correcting any time sheet and pay issues before your student leaves campus.

**Emails and HireADore Newsletter:**

Student Employment will notify you and your student regarding paperwork/timesheet and I-9 issues. **Please do not ignore these emails. Respond and keep Student Employment updated.**

Student Employment will also keep departments updated on changes to the payroll calendar, the [HireADore Newsletter](#), timesheet and paperwork deadline changes, holidays, etc. It is vital you read these emails as it is to ensure a student is paid on time.

**I get so many emails. I don’t have time to read them all!**

This is common feedback we receive. If you don’t have time please have someone in your department that does have the time be added to our mail list. The information sent out is important. There have been so many payroll issues because people have not taken the time to read their emails.

**Student Employment Mail List:**

Everyone who handles student employee paperwork or timesheets should be on the SE Mail List. If someone leaves, has replaced someone or needs to be added, please email [StudentEmployment@vanderbilt.edu](mailto:StudentEmployment@vanderbilt.edu) to request the change to our distribution list.

**Department Training:**

If you would like training others in your department, please [email](mailto:) Student Employment.
Student Employee Changes:

If a student has to change their name or social security number, please have them complete a Personal Information Change Form. Documentation will need to be attached for these changes. These forms go to Student Employment. Student Employment must have this information to update files and systems.

BRET Student Employees:

Student Employment processes registered Vanderbilt students. Hiring paperwork for these students should be sent to HR Processing in the Baker Building. Research Intern positions are also processed by HR Processing in the Baker Building.

Volunteer Student Employees:

Student Employment does not process volunteer positions.

Vanderbilt Temporary Services:

Registered Vanderbilt student employees should always be hired as student employees. VTS provides services for non-Vanderbilt students, temporary staff, etc.

Stipends:

Student Employment does not process or answer questions regarding student stipends. Please contact HR Processing.

Institutional Student Employee Checklist:

This checklist is for hiring Student Employee’s ONLY. Undergraduate students are limited to 20 hours per week. Graduate/Professional students are limited to 29.5 hours per week.

Unsure if a student has worked on campus before? Please email Student Employment with the student’s full legal name. Student Employment will contact you via email advising you what paperwork is required to hire the student.

FOR NEW HIRE INSTITUTIONAL STUDENT EMPLOYEES:

This information can be found also on page 4 of the SE Department Training Manual:

☐ New Hire Personnel Action Form completed (Student has never worked on campus before)

☐ I-9 Process prior to, (preferred) or within three days of the hire date. Please email I-9@Vanderbilt.edu or Student Employment the student’s name and email. A link will be emailed directly to the student to complete. They then show their ID’s at HR Express (2525 West End Ave)

☐ W-4 (Current Year) must be attached to the New Hire Personnel Action Form for all new student employees.

☐ New Employee Information Form must be attached to the New Hire Personnel Action Form for all new student employees.

FOR RETURNING INSTITUTIONAL STUDENT EMPLOYEES:

This information can be found also on page 11 of the SE Department Training Manual:

☐ A PAF turnaround is the only required paperwork. Students may check their W-4 option via C2HR and complete another W-4 to change their current option.

The New Employee Information Form is only required if the student has never worked on Vanderbilt campus before. If they have worked on campus before for any department it is not required. It only needs to be completed once.

All student employee paperwork has to go to Student Employment. This includes terminations, Payment Correction Requests, student employee additional paperwork, etc.

Hiring paperwork and the SE Department Training Manual can be found at www.vanderbilt.edu/studentemployment under “For Employers” and “Forms”
FWS Student Employee Checklist:

This checklist is for hiring Student Employee’s ONLY. Undergraduate students are limited to 20 hours per week. Graduate/Professional students are limited to 29.5 hours per week.

Unsure if a student has FWS? Please email Student Employment with the student’s full legal name. Student Employment will contact you. If you hire, rehire or are switching as student from Institutional to FWS you must request (via email) and complete an FWS Action Form. Please do not send the student to our office.

FOR NEW HIRE FWS STUDENT EMPLOYEES:

This information can be found also on page 7 of the SE Department Guide. When the FWS Action Form is emailed directly to the department it will advise what paperwork is required to hire the student. Please read and follow the instructions in the email.

For New Hire FWS Student Employees the following must be completed:

- FWS Action Form. This must be completed by the department in full.
- I-9 Process prior to, (preferred) or within three days of the hire date. Please email I-9@Vanderbilt.edu or Student Employment the student’s name and email. A link will be emailed directly to the student to complete. They then show their ID’s at HR Express (2525 West End Ave)
- W-4 (Current Year) must be attached to the FWS Action Form for all new student employees.
- New Employee Information Form must be attached to the FWS Action Form for all new student employees.

All student employee paperwork has to go to Student Employment. This includes terminations, Payment Correction Requests, student employee additional paperwork, etc. A PAF turnaround may be used for changes to FWS student employees.

Hiring paperwork and the SE Department Training Manual can be found at www.vanderbilt.edu/studentemployment under “For Employers” and “Forms”
International Student Employee Checklist:

This checklist is for hiring International Student Employee's ONLY. International students, regardless if they are International Undergraduates or International Graduate/Professionals, are limited to 20 hours per week.

Unsure if a student has worked on campus before. Please email Student Employment with the student’s full legal name and we will contact you regarding what needs to be completed.

FOR NEW HIRE INTERNATIONAL STUDENT EMPLOYEES:

☐ New Hire Personnel Action Form completed (Student has never worked on campus before)

☐ New Employee Information Form completed and attached to the New Hire Personnel Action Form.

☐ International student employee went to the ISSS Office for their Social Security Card.

☐ International student employee went to VISIT for their W-4.

☐ International student employee went to HR Express (2525 West End) for their I-9.

FOR RETURNING INTERNATIONAL STUDENT EMPLOYEES:

☐ A PAF Turnaround is the only thing that needs to be completed.

A returning student employee is a student who is returning to work at Vanderbilt University regardless of the department.

Under comments please write International Student. All PAF’s and New Employee Information Form (for new hires only) goes to Student Employment.

Hiring paperwork can be found at our website under “For Employers” and “Forms”
