3. University Parking

For the purposes of university students, faculty, and staff, no parking is allowed on the following streets:

- All streets designated with “VUH” on the Vanderbilt University Hospital (VUH) map
- All streets within the College of Arts and Science
- All streets designated with a green star on the VUH map

Parking spaces are marked with a color-coded area on the maps to indicate proper usage. The color designations are as follows:

- Green - Restricted to Vanderbilt University students
- Gold - Restricted to Vanderbilt University faculty and staff
- Blue - Restricted to Vanderbilt University visitors
- White - Unrestricted (open to all)

Parking Services issues the appropriate parking permit for each vehicle based on the area where it is parked. Permits are marked with the appropriate color code, and spaces are designated with a color designation. Vehicles may be parked only in spaces that correspond to the color designations of the areas. Parking permits are issued on a per-space basis and require a registration fee.

4. Meters

Parking services has installed meters in various locations around campus to prevent illegal parking. These meters require the insertion of coins and are available in one-hour increments. Permits are not required for use by vehicle. Meters are in operation from Monday through Saturday from 7:00 a.m. until 6:00 p.m.

Parking Services does not attempt to make money from the meters. Revenue is distributed to the University Police Department in recognition of their efforts in maintaining a safe campus environment.

5. Vehicle Registration

All vehicles registered as employees or members of the university community must register with Parking Services. Registration is required for all vehicles operated on campus, including bicycles, motorcycles, scooters, and motorized scooters.

6. Temporary Permits

Temporary parking permits are available for the following reasons:

- Employees on leave
- New hires
- New students
- New faculty
- Medical visitors
- Other visitors

Temporary permits must be renewed every 30 days and are subject to renewal fees. Parking Services must be notified of any change in the vehicle or permit_holder.

7. University Parking Permits

-تصغير

Parking permits are available at the University Parking Services office on the campus map. Permits are not valid until the registration process is completed. Parking Services will verify the vehicle registration and issue a permit if the registration is correct.

8. Categories of Parking Permits

All permits listed below carry privileges to park in unassigned spaces or assigned spaces, but do not guarantee that a space will be available.

- A permit grants permission to park in a specific parking area, subject to space availability.
- B permits allow parking in a designated area.
- C permits allow parking in a metered space.
- D permits allow parking in a non-restricted parking area. In addition, if the area

9. Regulations

- Parking permits are valid on streets, roads, alleys, sidewalks, walkways, parking spaces, and lots on or off campus.
- Parking Services reserves the right to park in any location.
- Parking Services may vary permit fees and areas.
- Parking Services reserves the right to change permit fees or requirements.
- Any changes in permit fees or requirements will be effective with the next renewal cycle.

10. Parking in a reserved space

- Faculty and Staff: If fines are not paid within 15 days, action will be
