2. University Parking

a) Long-term: Designated areas and in loading docks (for loading and unloading).

b) Motorcycles, mopeds, etc.: Virtual permits only. These are not specifically designated for parking. Parking areas within the University are identified by parking sign, or marked with a yellow curb.

201 Parking Services, where campus information and temporary assignments are made according to a schedule published by Parking Services, Vanderbilt University.

Refunds are limited to students who graduate in December, go abroad, or withdraw from the university at any time. Refunds are not made for those who transfer their registration to another university campus. Any area not boxed or shaded is subject to the following fines:

10f. Revocation of Campus Parking Privileges

1. Warning—Contact Parking Services, (615) 322-2554 $0

2. Violation Parking Services or the website at vanderbilt.edu/parking.

3. University Parking Regulations and Policies

11. Alternate Transportation

4. Meters

Parking Services has installed meters in various locations around campus where a high rate of traffic is expected, or when parking areas are designated for special parking use. Parking in metered areas is on a first-come, first served basis. Meters will not register more than the time limit posted. Meters operate from Monday through Friday, 8:00 a.m. to 4:40 p.m., unless otherwise posted. Meters do not accept coins.
