

Vanderbilt University Department of Public Safety Parking Services

Installation Instructions

Peel off the shiny clear liner from the corner on the face of the permit and apply to the rear window behind the driver in the lower left corner.

On convertibles or vehicles with dark tint, decals may be attached to the interior lower edge of the driver's side windshield.

Operating Hours

VUPS Parking Services is now open from 7:30 a.m. to 6:00 p.m. Monday – Friday. The new tow lot hours are the same as Parking Service hours. You may retrieve your vehicles only during these hours.

Security

Vanderbilt University provides many services to assist in your security on campus. There are many programs available to : SafeVU app, Vandy Van, RADS, walking escort and many more all designed for your safety. For further information about crime prevention go to

http://police.vanderbilt.edu/staff_student/crimeprevention.php/

The Vanderbilt Police Department recommend that individuals parking on campus take appropriate security precautions. Please remember to lock your car and avoid leaving valuables in view.

Park Smart

The University is introducing a new License Plate Recognition (LPR) system to help collect data, increase security, and monitor parking on campus. The system will be vehicle mounted and patrol the campus. The new system will increase the efficiency through technology while reducing costs. This will require your participation to achieve the University goals. It is required that when parking your vehicle you have your license plate readable from the drive lane. This allows the LPR system to read the plates of the vehicle on both side of the drive lane sanctimoniously reducing the time and creating efficiencies for the University.

Alternative transportation

The are a wide variety of methods to move around campus and Nashville. There are CarShare programs, bike rental, Vandy Van safety program, RTA and NMTA ride to work programs. There is even a website to join ride share program. All of these options are available on:

http://www.vanderbilt.edu/traffic_parking/alternative-transportation.php

Reserved Parking

If you have purchased a reserved space, please review The Reserved Parking Instruction Sheet.
