MESSAGE FROM THE PRESIDENT
Hello dear VWC Members,

As the summer months wind down, I am excited about the upcoming year for our beloved club. It is my hope that your summer months have been filled with exciting travel, quality time spent with family and friends, and relaxation to recharge you – mind, body, and spirit! I sincerely greet you, humbled to have been chosen to lead the club this year. As I stated at the Spring Luncheon, this opportunity to serve as club president is a full-circle moment for me. When my husband, William joined the Vanderbilt University faculty in the early 2000s, his Engineering Department colleagues welcomed, supported, and mentored him to help ensure he would be successful professionally and personally. At the same time, I was being ushered into the VWC sisterhood by former VWC leaders, Dot Galloway and Betsy Fleetwood. From them I learned valuable lessons about being a wife, mother, and Vanderbilt spouse. These ladies along with Angela Bowens and Lynn Maddox led the way in making sure that I felt embraced and included as part of the Vanderbilt community, and it was because of them that I was led to join the VWC. I am so appreciative to have this opportunity to follow in the footsteps of all past leaders of this special group of women who assemble to celebrate friendship, fellowship, and scholarship.

Over the summer, the club received notifications that a few of our Lifetime Members had passed away. Each one of their families sent personalized messages and emphasized the special meaning of the club in their loved one’s lives. This is a reminder that spending time together as VWC members, especially in our Interest Groups, is cherished by so many of us. It is this aspect of our membership that has continued through the years and that allows members to be a lifeline for each other that is unmatched by any other organization.

Your current 2023-2024 board is working together to make sure that the upcoming year is filled with wonderful club-wide events and engaging programming as we continue to recognize our 130th club anniversary, all while remaining passionate about raising funds for our generous four-year scholarships for deserving Vanderbilt students. I want to personally thank each board member in advance for their support and commitment to the club. “Thank you” to Past President Anna Walker for her guidance and smooth transition. Please help me congratulate Tracy Bannantine and Jeannette McNeil who are new to our board.

In this issue are details for the Kendra Scott “Kendra Gives Back Party” benefiting our scholarship fund; our eagerly anticipated Opening Tea: and membership renewal instructions. And, we have two new interest groups and a community service opportunity for your consideration. Please bring along and invite a friend to join VWC. I look forward to seeing you at the upcoming events!

In service,

Yolonda Brooks Robinson

Kelly Chambers
I was born and raised in Fort Worth, Texas. I developed a love of travel during a year between high school and college when I lived with my parents in Brussels, Belgium who were there for three years. Before graduating from Southwestern University in Georgetown, Texas I spent my sophomore year in Strasbourg, France. I met my husband, Ed Sherwood in college. During the graduate school, first jobs, having-baby years we lived in New Orleans and Chicago where I picked up an MBA from Tulane and a JD from DePaul University. I retired from the banking world (specifically Bank of America) when we moved to Galveston, Texas where our three children grew up on the island. I was involved in PTO, the Grand Opera House board, and served two terms on the Galveston ISD school board. Our next move brought us to Nashville and Ed to VUMC where we have been for over 11 years. Two of our children graduated from USN here. The VWC was truly critical to becoming comfortable in Nashville at that stage of life. We are true empty nesters now with two children in New York and one daughter living and working in Nashville.

Kelly has served as President, Program Chair, Communications Chair, Face Book Manager, Community Service Chair, Pop Up Group Coordinator and will be President again in 2024-2025. Ed.

**Explore Vanderbilt**

1) **September 11**, 8 p.m. at Turner Recital Hall, Blair School of Music.

   Guest artist recital by Polish-American pianist Anna Kijanowska (Kee-an-OFF-ska).

   Hailed by The New York Times (2007) as “an excellent young Polish pianist,” and by Brazilian critics as “the Tina Turner of classical music” (2010), Kijanowska’s concert performances represent the stunning diversity of today’s globalized classical music scene; she is equally at home performing in Carnegie Hall as the steppes of Mongolia. Her New York debut took place in 1997 with a live broadcast over WQXR, and she has, to date, appeared in Carnegie Hall, Merkin Hall (NYC), and the Kennedy Center and National Gallery of Art in Washington, D.C, as well as in underserved venues such as the Amazon basin in Brazil, the Himalayas in Nepal, and Mongolia.

2) **September 12**, 10:30 a.m, VU Explorer’s Annual Planning Coffee at FIDO in Hillsboro Village. Parking behind the cafe. Bring the ticket in with you to be validated for free parking.

3) **September 23, 24**, Nashville Children’s Theater production of "**Strong Inside,**" based on Andrew Maraniss’s YA biography of Perry Wallace, Vanderbilt basketball star and first African American to play in the SEC. See [nashvillechildrentheater.org](http://nashvillechildrentheater.org) for tickets and more information. Take your children/grandchildren along for a wonderful evening out.

**NEW Knitted Knockers etc.**

If you knit, crochet and/or sew, here are a few projects that will benefit patients at the Vanderbilt-Ingram Cancer Center (VICC). These will be placed in the VICC Patient and Family Resource Center, available for anyone in need. Contact Sharon at sharonberenfeld@gmail.com for more details. I’ll collect completed projects and bring them to VICC. These items are in high demand.

**SEWING**

**Portacath Pillows.** A portacath is a medical device typically implanted in a patient’s right upper chest that provides access to a large vein. It is used as intravenous access to deliver medications and to draw blood. This is the same area a seatbelt goes over. The portacath pillows attach to seat belts to protect this area. This project is a great way to utilize soft fabric scraps! There are several free patterns online. Here are a few. You can make them with 1 or 2 velcro straps (these attach the pillow to a seatbelt) or fabric flaps with Velcro - all work! There are several patterns online and YouTube How To Videos.

**KNITTING AND CROCHETING**

**Adult sized knitted or crocheted caps** are always needed. Please use soft yarns.

**Knitted Knockers**

Knit or Crochet soft and comfortable Breast Prostheses for women who have undergone mastectomy. These are lighter and reportedly more comfortable than standard prosthetics. Love the name! Please note there are specially approved cotton yarns. I've found some of these yarns on Amazon, at local yarn shops and craft stores. Full instructions and requirements are available on their website. Feel free to stuff them on your own or I’m happy to complete that part.
